rounds out his survey with observations on Paris's lively opera scene and France's wealth of circus entertainments both traditional and newly envisioned. With his shrewd assessments of contemporary French theatre, Turk conveys an excitement and an affection for his topic destined to arouse similar responses in his readers. His book's freshness and openness will reward theatre enthusiasts who are curious about an aspect of French culture that is inadequately known in this country: veteran scholars and students of contemporary world theatre and those American theatre professionals who have the ultimate authority and good fortune to determine which new French works will reach audiences. *Contemporary French Literature, 1945 and After* Gaëtan Picon, 1974 *French News*, 1960 **The History of World Theater** Felicia Hardison Londré, Margot Berthold, 1999-01-01 Felicia Londré explores the world of theater as diverse as the entertainments of the Stuart court and Arthur Miller directing Chinese actors at the Beijing People's Art Theater in *Death of a Salesman*.
