Disappearing Into View:

Illustrated Catalogue of Stereopticons, Sciopticons, Dissolving View Apparatus, Microscopes, Solar Microscope and Stereopticon Combination McIntosh Battery & Optical Co, 1895 Before We Disappear into Oblivion Nina Bogdan, 2025-06-06 The October 1917 Russian Revolution and the subsequent Civil War triggered a mass exodus from Russia. Thousands boarded ships heading for California. Before We Disappear into Oblivion chronicles the struggles of members of the Russian diaspora in San Francisco and northern California as they built communities and negotiated their acculturation into American society. Nina Bogdan challenges the stereotype of the White Russian migrant as an aristocrat in exile, revealing the diversity within California's Russian communities in terms of social backgrounds, political affiliations, and geographic origins. Bogdan details the historic Russian presence in northern California, particularly Fort Ross, and examines how migrants incorporated this presence into their strategies and tactics used to establish a foundation for community while developing their Russian American identity. Consulting Russian language sources generated by the diaspora alongside American public discourse and thousands of government documents, Bogdan traces the divergent paths Russian migrants took to become or not become middle class white Americans a century prior to the latest mass exodus of Russians from their homeland in 2022. Set against a backdrop of national and global events: the Great Depression, World War II, McCarthyism, and the Cold War, Before We Disappear into Oblivion explores the factors that shaped the Americanization of one ethnic group in an environment where cultural affiliation became submerged in favour of a constructed racial identity. *The Flaming Sword*, 1901

Outing and the Wheelman, 1902 *The Encyclopaedia Britannica* Thomas Spencer Baynes, 1898 **Heist** Robert Schofield, 2013-06-29 Ford laid his fingertips gently on the cut in his shoulder where the bullet had clipped him. His best chance would be to hitch a ride south at the first opportunity before the police started looking for him. He was alone, enveloped in the monstrous silence of the desert. Free and alone without assistance and without excuse. Left for dead in the desert, framed as the inside man in a billion robbery at the remote mine site where he works, and fearing that his daughter and ex-wife have been abducted from their home in Perth, Ford must cross a thousand miles of wilderness to find his family. Ford forms a fragile alliance with Doc and Banjo, a pair of fugitive bikers, and Kavanagh, a cop from the Gold Stealing Detection Unit who's found herself shut out of the case. As this unlikely team sets out across the Outback, they are pursued by cops, mercenaries, and bikers, each group with its own agenda for preventing Ford from reaching Perth and uncovering a conspiracy that spreads through the upper strata of Western Australian life.
