Discerning Reader Christian Perspectives On Literature And Theory:

The Discerning Reader David Barratt, Roger Pooley, Leland Ryken, 1995
Theory Cassandra Falke, 2010-10-27 Dealing with the historical and thematic intersections of Christianity and critical theory this collection brings together a diversity of specialist scholars in the area Building on recent discourses in theology as well as their knowledge of hermeneutic and critical traditions they examine major themes in contemporary critical theory

Modern Criticism and Theory Nigel Wood, David Lodge, 2014-06-11 This third edition of Modern Criticism and Theory represents a major expansion on its previous incarnations with some twenty five new pieces or essays included This expansion has two principal purposes Firstly in keeping with the collection's aim to reflect contemporary preoccupations the reader has expanded forward to include such newly emergent considerations as ecocriticism and post theory Secondly with the aim of presenting as broad an account of modern theory as possible the reader expands backwards to take in exemplary pieces by formative writers and thinkers of the late nineteenth and early twentieth centuries such as Marx Freud and Virginia Woolf This radical expansion of content is prefaced by a wide ranging introduction which provides a rationale for the collection and demonstrates how connections can be made between competing theories and critical schools The purpose of the collection remains that of introducing the reader to the guiding concepts of contemporary literary and cultural debate It does so by presenting substantial extracts from seminal thinkers and surrounding them with the contextual materials necessary to a full understanding Each selection has a headnote which gives biographical details of the author and provides suggestions for further reading and footnotes that help explain difficult references The collection is ordered both historically and thematically and readers are encouraged to draw for themselves connections between essays and theories Modern Criticism and Theory has long been regarded as a necessary collection Now revised for the twenty first century it goes further and provides students and the general reader with a wide ranging survey of the complex landscape of modern theory and a critical assessment of the way we think and live in the world today

People of the Book David Lyle Jeffrey, 1996 The author examines the cultural and literary identity among Western Christians which the centrality of the Book has helped to create and the Christian use of the phrase People of the book Preface

The Blackwell Companion to the Bible in English Literature Rebecca Lemon, Emma Mason, Jonathan Roberts, Christopher Rowland, 2010-03-25. This Companion explores the Bible's role and influence on individual writers whilst tracing the key developments of Biblical themes and literary theory through the ages. An ambitious overview of the Bible's impact on English literature as arguably the most powerful work of literature in history from the medieval period through to the twentieth century. Includes introductory sections to each period giving background information about the Bible as a source text in English literature and placing writers in their historical context. Draws on examples from medieval, early modern, eighteenth century and Romantic, Victorian and Modernist literature. Includes many secular or anti-clerical writers alongside their Christian contemporaries revealing how the Bible's text shifts and changes in the writing of each author who reads and studies it.

The Sin of Moses and the Staff of God Johnson Lim Teng Kok, 2018-07-17. According to the opinion of the exegetes, the sin of Moses is one of the most difficult conundrums to resolve in the history of interpretation. This Pentateuchal puzzle has not only perplexed ancient and modern exegetes but has also produced a multiplicity of answers. A plethora of explanations proposed by exegetes on the sin of Moses appears to be strong on conjectural ingenuity but weak on textual evidence. A fresh exegetical probe is therefore warranted using a hermeneutical strategy whereby a narrative approach is attempted in order to understand Num 20:1-13 in the light of Exodus 17:1-7. These narrative analogies are part of a distinctive feature in the Hebrew narrative style labelled 'Type scene'. The main thrust of this book is that the sin of Moses recorded in Numbers 20:1-13 is linked to the unlawful and wilful act of trifling with the sacred staff in striking the rock. This is because the staff of Moses has already become the staff of God. Exod 4:20-17:9. Moses' abuse and misuse of the staff constitutes an act of lese majeste because it is seen as an act of rebellion against YHWH's authority. Inevitably, Moses eclipses YHWH's personality, presence and power in the eyes of the people. His condign punishment is the forfeiture of the privilege of leading the people into the Promised Land.

Religion Index Two, 1998 *One Bible, Many Voices* Susan E. Gillingham, 1999. Advocating a pluralistic reading that acknowledges the many voices speaking in the Bible, Susan Gillingham offers theological, historical and literary insights into the compilation of Scripture and the development of biblical studies. Providing one of the most accessible and helpful introductions to the Bible available, this volume clearly outlines the main issues in understanding Scripture and demonstrates

using Psalm 8 as an example the best method for reading the Bible today **John Bunyan** N. H. Keeble, 2002 This collection of twelve essays adopts a variety of critical and theoretical approaches to explore the range of John Bunyan's fictional and non-fictional writing within the cultural religious and political context of the later seventeenth century Drawing on original research they throw fresh light on Bunyan's relationship to such Puritan contemporaries as Richard Baxter and John Milton on the material circumstances of the presentation and publication of Bunyan's texts and on the cultural literary and intellectual contexts of his writing The result is a book which challenges received orthodoxies and opens up new lines of enquiry in the study of this key figure in our literary history *The Writers Directory*, 2013 *Chaos, Cosmos, and Saint-Exupéry's Pilot Hero* John R. Harris, 1999 John Harris attempts to address Saint Exupéry's unique qualities with full regard for his evasion of categories Harris contends that Saint Exupéry is in fact naively and perhaps sublimely simple The apparent complexity in his works results from our own underestimation of his determination to fuse the aesthetic and the moral *Pynchon Notes*, 1998 **Current Contents** Institute for Scientific Information (Philadelphia), 1997 **Theology**, 1996 **Living Hermeneutics in Motion** Gregory J. Laughery, 2002 Paul Ricoeur is one of the most prolific philosophers alive today Many studies have been done on Ricoeur's philosophy but very little on his theological trajectory and its connection to Biblical hermeneutics Living Hermeneutics in Motion brings to light the diverse ways in which Ricoeur's hermeneutic revolutions concerning a meaningful text can be useful specifically in the area of biblical interpretation Situated within the modern post modern interpretative tumult this book is interested in ascertaining if Ricoeur's richly sedimented and hermeneutically complex orientation can offer an alternative to modernist sharp boundaries and postmodern radical indeterminacy **The Globalization of Shakespeare in the Nineteenth Century** Krystyna Kujawińska-Courtney, John Moore Mercer, 2003 These essays show how Shakespeare as a cultural commodity was imported appropriated and exploited in countries around the world in the 19th century Essays are grouped by the type of appropriation they emphasize translations and adaptations performances and theater scholarship and criticism or inspirations for visual arts and creative writing **Love Your God with All Your Mind** James Porter Moreland, 1997 This book examines the role of reason in faith helping you use your intellect to further God's kingdom
