Disciple I Becoming Disciples Through Bible Study: Study Manual Richard B. Wilke, Julia Kitchens Wilke Trust, 2010-09-01

DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE BECOMING DISCIPLES THROUGH BIBLE STUDY, a thirty-four week overview of the entire Bible. Commitment and Time Involved: Three and one half to four hours of independent study each week, 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings. Attendance at weekly 2.5-hour meetings. Study Manual: Each member of the group needs a study manual and a Bible. The Bible is the text for the study, and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions, along with theme words, theme verses, and major persons, events, and topics, will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. We recommend the New Interpreters Study Bible. More Questions? Visit www.cokesbury.com/disciple

This 12-week study immerses the participant in the New Testament. Disciple Fast Track, an adaptation of the original bestselling Disciple Bible Study, provides a viable option for busy people seeking comprehensive engagement over time with the entire biblical text. Fast Track groups meet for a total of 24 weeks, devoting 12 weeks each to the Old Testament and the New Testament. Participants read a manageable 3-5 chapters of the Bible daily in preparation for the weekly meetings, which last approximately 75 minutes. A separate Leader Guide provides group facilitators with step-by-step instructions for leading each week's session without any extra preparation. A brief illustrated review video enables participants to recall important facts and ideas. Lively and engaging video presenters then offer insights into the current week's session. Participants have the opportunity to take a spiritual gifts assessment and determine meaningful ways they can serve and live out their discipleship commitment. They also have opportunities for celebrations marking their completion of the Old and New Testament components of Disciple Fast Track. The flexible resources work well with groups of a few participants up to 100.
