## **Disciples Then Disciples Now:**

**Disciples Then! Disciples Now!** Phyllis Vos Wezeman, 1995-07-01      **The Sacred Writings of the Apostles and Evangelists of Jesus Christ**, 1860      **Israel and the Covenants in New Testament Times** Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that      **Disciple Beyond Mediocrity** Brian Byrne, 2020-08-27 Disciple Beyond Mediocrity addresses the problem of mediocrity found in many churches that are locked into the status quo In this book Dr Byrne portrays the life of a disciple in strict accordance with what the scriptures teach and as an essential element in the renewal of our faith before the Lord returns At the heart of Dr Byrne's examination is the question of mediocrity as it has plagued churches and Christians without number Dr Byrne exposes the nature of mediocrity and on that foundation builds his study of a disciple whose life can be beyond mediocrity Dr Byrne explores the seven characteristics of being a disciple based on the Lord's own words Denying oneself taking up his cross following the Lord forsaking attachments to all he has abiding in His word bearing much fruit and loving one another Central to his study of the life of a disciple are the twin spiritual skills living by faith and living in the Spirit with the subject that is central to both being able to hear what the Spirit is saying to the churches Dr Byrne then presents his readers with a step by step instruction on

how to live by faith and includes a memorable parable that reflects his own relationship with the Lord the Garden of My Heart The final part of the book takes a leap into the future with Dr Byrne exploring four events in the life of a disciple in the end of days being caught up to meet the Lord in the air and being transformed in a brief moment of time into His immortal image giving account at the judgment seat the marriage of the bride of Christ with the Lord and the return of the Lord to the earth with His transfigured disciples to reign with Him for a thousand years The book concludes with an examination of the destiny of the Lord s disciples in the New Jerusalem that descends to the earth at the end of time There can be no doubt that Dr Byrne knows what he is writing about Each chapter bears the distinctive stamp of personal knowledge and experience This book should be required reading for all Christians for those who lead churches and for those who train leaders in colleges and universities round the world
