Inkson, 2018-09-24 This book is the first ever authoritative work on the use and management of humor in the workplace It is a
practical guide for everyone involved the humorists jokers the targets sometimes victims the observers audience and most of
all the managers who have to set the tone and encourage control and manage humor Humor is part and parcel of every
workplace However while it usually demonstrates and fosters a united happy workforce it can at times be deeply damaging
and divisive The authors academics with vast organizational experience and a research based understanding of humor at
work bring together state of the art knowledge of the topic making it fun accessible and readable for all humor participants
The topics include how humor works humor cultures in organizations the many forms of workplace humor and their pros and
cons humor rituals at work digital humor workplace jokers the 21st century issue of political correctness and both the bright

side of humor assisting positive cultures making work fun and its dark side where humor offends and humiliates With over 60 real life illustrative stories of workplace humor a self completion questionnaire to measure the Humor Climate in your organization end of chapter takeaways and an end of book summary advocating best practice the book is a fun how to do it guide that will both inform and entertain **The Light Touch** Malcolm L.
