Business Ethics Manuel G. Velasquez, 2013-07-31 Resolving Moral Issues in Business. The ethical landscape of business is constantly changing, and the new edition of Business Ethics: Concepts and Cases has been revised to keep pace with those changes most effecting business: accelerating globalization, constant technological updates, proliferating of business scandals. Business Ethics: Concepts and Cases introduces the reader to the ethical concepts that are relevant to resolving moral issues in business, imparts the reasoning and analytical skills needed to apply ethical concepts to business decisions, identifies moral issues specific to a business, provides an understanding of the social, technological, and natural environments within which moral issues in business arise, and supplies case studies of actual moral conflicts faced by

businesses **Business Ethics - A Philosophical and Behavioral Approach** Christian A. Conrad, 2018-07-26 This textbook examines the extent to which moral values play a role as productive forces for the economy and explores the effect of ethical and unethical Behavior on the economy It shows how ethics improves productivity in the economy and provides specific ethics tools for practical application for students and managers Stemming from an overall interdisciplinary approach and combining recent research results from sciences such as economics business administration Behavioral economics philosophy psychology and sociology this textbook fills a gap in the literature on ethics in business The book begins with the foundations of business ethics by defining business ethics delineating its objectives and discussing the importance of business ethics for business the economy and society Next it presents the ethical evaluation approaches to enable the reader to evaluate economic Behavior ethically It then explores man in business and deals with such issues as Behavior motivation ethical orientation and the presence or absence of a sense of justice Following this is a discussion of the rules of the market and of questions such as Does the market economy promote ethical Behavior or is there a conflict of goals between ethics and market economy Do companies have a social responsibility The book concludes with an analysis of the importance of ethics for productivity in the enterprise and in the economy and presents ethics tools as the instruments with which management can promote ethical Behavior of their employees Following a textbook structure the book first derives knowledge from scientific studies that is relevant for students and then summarizes the results It explains ethical assessment approaches and then gives an ethical assessment of economic Behavior using case studies It uses roleplaying and games to explain the Behavior of people in relation to ethics The Ethics of Business Al Gini, Alexei Marcoux, 2011-10-16 In a field dominated by books that focus exclusively on the perspective of business in large corporations or that assume that business has a moral deficiency in need of reform Al Gini and Alexei Marcoux offers students and business people alike a concise guide to what everyone ought to do when doing business Where other books are organized topically Gini and Marcoux look at the moral features of business that recur across topical areas stressing the considerations that bear on business people whether they be corporate functionaries principals in family businesses or solo entrepreneurs who do it all end to end They present to students the essential concepts ideas and issues involved in ethics in business and emphasize the individual acting person and what it means to have character and integrity when doing business **Business Ethics Theory** John Thanopoulos, Panagiotis Petratos, 2015-10-26 Business Ethics textbook provides meaningful information for managers and executives of global corporations Business Ethics also serves as a good University textbook based on our multi decades combined teaching experience and valuable feedback received from our students and encompassed in the current edition In a world of increasing globalization this textbook provides some important lessons and guidance to navigating the complexities of cross culturally operating businesses This textbook fills a void by encompassing the links between philosophy and ethics and applying them to a worldwide business framework Topics covered include ethics of international business associations

Sison, Ignacio Ferrero, Gregorio Guitián, 2018-03-09 Can business activities and decisions be virtuous This is the first business ethics textbook to take a virtue ethics approach It explains how virtue ethics compares with alternative approaches to business ethics such as utilitarianism and deontology and argues that virtue ethics best serves the common good of society Looking across the whole spectrum of business including finance governance leadership marketing and production each chapter presents the theory of virtue ethics and supports students learning with chapter objectives in depth interviews with professionals and real life case studies from a wide range of countries Business Ethics A Virtue Ethics and Common Good Approach is a valuable text for advanced undergraduates and masters level students on business ethics courses Business Ethics Richard T DeGeorge, 2013-08-28 For courses in Business Ethics Moral Issues in Business Social Issues in Business Business and Society International Business Ethics and Issues in International Business This systematic integrated investigation of the field of business ethics is presented from an informed philosophical point of view It argues that ethics is the glue as well as the oil that makes business possible addressing the full gamut of issues from such macro considerations as the moral justification of economic systems to such micro issues as proper computer use by employees The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you'll gain instant access to this eBook Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed **Business Ethics** Joseph W. Weiss, 2014-07-14 NEW EDITION REVISED AND UPDATED This is a pragmatic

hands on up to date guide to determining right and wrong in the business world Joseph Weiss integrates a stakeholder perspective with an issues oriented approach so students look at how a business s actions affect not just share price and profit but the well being of employees customers suppliers the local community the larger society other nations and the environment Weiss uses a wealth of contemporary examples including twenty three customized cases that immerse students directly in recent business ethics dilemmas and ask them to consider how they would resolve them The recent economic collapse raised ethical issues that have yet to be resolved there could not be a better time for a fully updated edition of Weiss s classic accessible blend of theory and practice New to the Sixth Edition New Cases Fourteen of the twenty three cases in this book are brand new to this edition They touch on issues such as cyberbullying fracking neuromarketing and for profit education and involve institutions like Goldman Sachs Google Kaiser Permanente Walmart Ford and Facebook Updated Throughout The text has been updated with the latest research including new national ethics survey data perspectives on generational differences and global and international issues Each chapter includes recent business press stories touching on ethical issues New Feature Several chapters now feature a unique Point Counterpoint exercise that challenges students to argue both sides of a contemporary issue such as too big to fail institutions the Boston bomber Rolling Stone cover student loan debt online file sharing and questions raised by social media

Managing Business Ethics Linda K. Trevino, Katherine A. Nelson, 2010-08-23 While most business ethics texts focus exclusively on individual decision making what should an individual do this resource presents the whole business ethics story Highly realistic readable and down to earth it moves from the individual to the managerial to the organizational level focusing on business ethics in an organizational context to promote an understanding of complex influences on behavior The new Fifth Edition is the perfect text for students entering the workplace those seeking to become professionals in training communications compliance in addition to chief ethics officers corporate counsel heads of human resources and senior executives

Business Ethics K. Praveen Parboteeah, John B. Cullen, 2013-04-12 Business Ethics provides a thorough review and analysis of business ethics issues using several learning tools Strategic Stakeholder Management as the Theme All chapters use a strategic stakeholder approach as a unifying theme The text is thus the first text that adopts this approach Most business ethics scholars and practitioners agree that successful ethical companies are the ones that can strategically balance the needs of their various stakeholders By adopting this approach students will be able to see how the various aspects of business ethics are connected Theory based and Application based All chapters have important applicable theories integrated with discussion of how such theories apply in practice Unlike other texts that are either too theoretical or too practical this text provides the appropriate blend of theory and practice to provide deeper insights into the concepts covered in the chapter Global Perspective Unless most other texts this text provides a global perspective on business ethics Most chapters include material pertaining to ethics in global contexts Included are cases about companies in a wide range of countries including Japan U K China and India among many

others Cases The text contains over 30 real world global cases Each chapter ends with a short two page case as well as a longer case that varies in length Each has discussions questions at the end Finally each of the four parts ends with a Comprehensive Case proven teaching cases from The Ivey School and other sources Business Ethics O. C. Ferrell, John Fraedrich, 1997-01-01 Corporate Governance And Business Ethics : Text And Cases U C Mathur, 2005 Business world is to an extent a reflection of the country's social and cultural ethos The unprincipled behaviour among people has become so commonplace that even the corporate world has been affected It is therefore felt that unless companies look after the interests of their stakeholders and apply the ethical code of conduct in their dealings they can at best gain only temporary benefits Companies have begun to realise the importance of good Corporate Governance and Business Ethics Business Schools and their governing bodies too have realised the importance of Corporate Governance and Business Ethics and have included these as subjects to be studied in the postgraduate programmes of Business Management This book covers the syllabus of some major business schools which have already introduced the subject A number of live wire case studies embellish the book to make it a proper learning medium EBOOK: Business Ethics Now Andrew Ghillyer, 2013-10-16 Business Ethics Now 4e by Andrew W Ghillyer provides assistance to employees by taking a journey through the challenging world of business ethics at the ground level of the organization rather than flying through the abstract concepts and philosophical arguments at the treetop level By examining issues and scenarios that relate directly to their work environment and their degree of autonomy in that environment employees can develop a clearer sense of how their corporate code of ethics relates to operational decisions made on a daily basis **Business Ethics** Joseph W. Weiss, 1994 A focused easy to read book that defines and illustrates contemporary business examples with applied ethical principles This book uses a stakeholder approach to identify the central constituencies surrounding a business ethical dilemma incident or crisis whether it is an environmental regulatory advertising health related multinational or employee workplace issue No other paperback ethics text has the variety of managerial and ethical frameworks that this book contains Ethics and the Conduct of Business Plus Mythinkinglab with Etext -- Access Card Package John R.
