

Mission

Engage children, youth, and the adults who inspire them, in creative iSTEAM learning experiences that ignite curiosity, foster relationships and competencies with Human/Technology interactions, while building a diverse community of capable learners through empowered play.

Vision

To be the revolutionary platform of choice for educating the next generation of leaders in the 21st century.

Values

We believe that education needs to be fun, innovative, purpose driven, human-centered, and iSTEAM focused.

Business Vision Students

Mark Hage

Business Vision Students:

Business Visions. Students Book Adrian Wallwork, 2003 *Effective Platform Product Management* Tabassum Memon, 2021-11-12 Turn your platform into the next big thing with expert advice to scale and implement a proven growth roadmap across multiple channels Key Features Gain expert insight about platform business models and how they're different to linear products Explore the end to end platform life cycle from developing a strategy to measuring the outcome Follow real life examples to discover the most effective growth strategies your platform Book Description Scaling a platform is a lot different than scaling a product This is why product managers developing or transitioning to a platform model are often facing completely new challenges both technical and strategic But if you want to build the next Amazon Netflix Spotify or a completely new type of platform then you need to adopt a platform first approach to change how you invent develop and market solutions This is where *Effective Product Platform Management* comes in This book addresses product management as a critical pillar of platform development It'll help you understand the difference between traditional and modern product management for platforms and even decide whether the platform business model is the way to go for you As you progress you'll be able to build the right platform strategy define the MVP and focus on ongoing backlog prioritization for successful platforms This book will also walk you through the practical steps and guidelines that can ease your organization's transition from linear products to platforms By the end of this platform product management book you'll have learned the essential aspects of product management for building successful and scalable platforms You'll also have a clear understanding of the next steps you need to take to perfect and execute your new platform strategy and take on the world What you will learn Understand the difference between the product and platform business model Build an end to end platform strategy from scratch Translate the platform strategy to a roadmap with a well defined implementation plan Define the MVP for faster releases and test viability in the early stages Create an operating model and design an execution plan Measure the success or failure of the platform and make iterations after feedback Who this book is for If you're a product manager product owner product director or a business executive working on a platform strategy and its day to day execution then this book is for you It will also be useful for change managers and program managers tasked with transitioning from products to platforms You won't need any prior knowledge of platform strategy or platform transitioning before you get started since the book covers all the basics but taking notes to reflect on your journey as you work through the practical examples in this book is recommended
