But Beautiful:

Broken but Beautiful Chaheti Garg, It is important to remember the beauty in imperfections in a world where perfection is defined by a particular appearance such as botoxed foreheads trout pout lips and size 4 clothing We are reminded of the seat by the Japanese art of Kintsugi The Japanese practise of mending broken ceramics with lacquer that has been dusted with or combined with powdered gold silver or platinum is known as kintsugi which translates to golden joinery As a philosophy it views breakage and repair as a natural part of an object's history as opposed to something to cover up The notion that nothing is permanent and that everything evolves emphasises flaws and faults as signs of ageing Broken and Beautiful is an anthology of 30 writers who share their experiences verses and stories of their opinion towards the title of the book

Broken but Beautiful Joseph P. Conway, 2020-11-06 American church participation has plummeted in recent decades Abuse scandals and hypocrisy hang in the air Weekly I talk to friends and neighbors who have left church even as many still identify as Christians I get what they're saying When I consider the pain that so many have experienced in church life the body of Christ sure seems broken It's no wonder many don't find church to be worth it But maybe there's more to the story As a child my family experienced deep crisis I felt alone and vulnerable Into that void the church stepped in I discovered a family a people that have my back and forever changed my life Even now I see tangible ways the church works for the common good The church possesses a resilient beauty that continually pushes through the brokenness If we love Jesus we have to eventually ask what Jesus loves Surprising to me at times Jesus loves the church despite her brokenness If we learn to see what Jesus sees we'll discover a powerful often untapped means towards human flourishing No other social group offers what the church offers Yes the church is broken but there's more She's beautiful Broken but Beautiful

Yoshita goel, 2022-04-22 Some things become more valuable when broken Like hearts relationships and the broken hearts of people in these broken relationships Life is all about a continuous cycle of meeting people then being connected to them then losing them but the ones who stay forever with us we find our happiness in them Similarly this anthology presents a compilation of life experiences and feelings written down from the bottom of the hearts of co-authors This anthology contains poems short stories articles shayaris and open letters on how life and love give us happiness but pain too for the readers to relate comprehend and rejuvenate their perspectives on life and learn from them as to how can they achieve happiness and pain from the same person thing or relationship A beautiful life begins with a beautiful mind and heart if you are beautiful from inside you will reflect the same on the outside A number of people come into your life some will stay temporarily while some will stay permanently But do not sit and wait for people to make them permanent in your life Life will show many colors to you it entirely depends upon how you react to everything It is all about standing falling facing and fighting for your happiness Through Broken But Beautiful we have given our best to collect beautiful and diverse feelings and emotions in order to inspire relate and know how to face everything and move on *The Poetry of Flowers; Containing Brief But*
