**The Family Cooks** Laurie David, 2014-04-22 A call to action for parents kids and anyone who eats to start cooking their own meals again For families eating right has become a monumental challenge Cultural messages convince us that we no longer have time to cook and food marketers spend billions persuading us that packaged processed food is convenient satisfying and the key to happiness Half of all our meals are now eaten outside the home The result Skyrocketing rates of heart disease and diabetes and unprecedented levels of childhood obesity This crisis is movingly portrayed in author and activist Laurie David s new documentary co executive produced with Katie Couric Fed Up Luckily we have a solution Studies have clearly shown that eating home cooked meals reduces obesity and develops lifelong healthy eating habits There is an exciting movement afoot that involves a skillet a few good knives and some fresh ingredients Home cooking is making a comeback In The Family Cooks David inspires parents and kids to take control of what they eat by making it themselves With her long time collaborator Kirstin Uhrenholdt David worked up more than 100 recipes that are simple fast low in the bad stuff and high in the good stuff and designed to bring kids into the cooking process The authors also demystify cooking terms and break down basic prep techniques creating stress free meals that foster health togetherness and happy palates The Family Cooks is the ideal companion for unseasoned chefs of all stripes whether they re parenting or being parented

**The Best VBS Workbook Ever!** Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS

Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It s a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network
