But For Our Grief How Comfort Comes:

But for Our Grief June Filkin Taylor,1977 **The Other Three Sixteens** Malinda Fugate,2020-05-12 For God so loved the world Many of us could finish that sentence in our sleep John 3 16 is a beautiful Scripture that neatly and simply sums up the message of the Gospel But what do all the other 3 16s in the Bible have to tell us The words of the Bible weave a tapestry of love particularly the love that our Heavenly Father has for His children But a love so deep and so wide cannot be contained in one memorized phrase It takes multiple authors of sixty six individual books to begin to explore the mystery of God s care for us The Other Three Sixteens by Malinda Fugate examines each third chapter and sixteenth verse in the Bible and invites a fresh new perspective to help readers uncover surprises or remind them of forgotten truths of a faith that has become routine Through Genesis to Revelation we can soak in its depth wonder at its intricacies and be moved at how much the Lord truly does lavish upon us Together we discover God s love under the weight of Eve s sin in the garden It s there in front of Moses burning in a bush that is somehow not consumed God s love sits in the dark with Job rebuilds a wall with Nehemiah and encourages a young pastor named Timothy Together we will find a deeper understanding of the way our Heavenly Father cares for each of us today Discussion questions suitable for individual or group use included The Shakespeare Phrase Book John Bartlett,1881 **LI Sermons ...
