Amy-Jill Levine, Marianne Blickenstaff

But She Said Feminist Practices Of Biblical Interpretation:

But She Said Elisabeth Schüssler Fiorenza, 1992 One of the world's leading feminist theologians demonstrates how reading the Bible can be spiritually and politically empowering for women Schüssler Fiorenza challenges us to destroy the dominant models of biblical interpretations that have held some people in subordination and to construct models that foster emancipatory faith communities National Catholic Reporter **But She Said** Elisabeth Schüssler Fiorenza, 1992 But She Said

Elisabeth Schüssler Fiorenza, 2015 One of the world's leading feminist theologians demonstrates how reading the Bible can be spiritually and politically empowering for women **Sharing Her Word** Elisabeth Schüssler

Fiorenza, 2001-01-01 How can recent advances in biblical studies empower feminist struggles and inspire all Christians to articulate a vision that promotes human dignity justice inclusivity and well being for all In this book Elisabeth Schüssler Fiorenza develops her insights into the study of the Bible She reclaims the work of nineteenth and early twentieth century feminist biblical interpreters And she analyses several intriguing biblical passages to show how the Bible can contribute to the spiritual struggle for a more just world Praise for Sharing Her Word A fresh yet seasoned stock taking of feminist Biblical hermeneutics by one of the leading figures in this field Old Testament Essays 2000 **Feminist Companion to John**

Amy-Jill Levine, Marianne Blickenstaff, 2003-01-01 V 2 studies includes some that seek to locate the cumulative effect of all the stories concerning women these lead to general suggestions concerning both the evangelist's view of gender and the role of women in the Johannine community Also Christological language and theological categories in search for an alternative to the androcentrism and exclusivity theologians typically associate with the Fourth Gospel Highlights of specific scenes e.g. crucifixion appearance to Mary Magdalene to interrogate the function of feminine imagery the implications of particularly troublesome verses the cultural appropriations of the narratives from back cover **A Womanist Theology of Worship**

Allen, Lisa, 2021-11-17 Examines the history of worship in the Black Church in America the enduring effects of white supremacy on its liturgical heritage and proffers a new liturgical paradigm using a womanist hermeneutic *Meaning in*

Our Bodies Heike Peckruhn, 2017 In *Meaning in Our Bodies* Heike Peckruhn argues that scholars who appeal to the importance of bodily experiences need to acquire a robust and nuanced understanding of how sensory perceptions and interactions are cultural and theological acts of making meaning

This Present Darkness Kristen Welch, 2021-08-17 As a Christian as a college student do you want to be a feminist Why would anybody want to be a feminist And what if anything have Christians done to advance women's rights The answers lie in this book where the history of women preachers the rise of the publishing industry the creation of eighteenth and nineteenth century female seminaries and academies and the work of feminist theologians is explored This book introduces the Christian college student to a coherent story of First Second and Third Wave Feminism and how these interlocking histories overlap with Christian faith and practice Designed for the student who has little or no knowledge of feminist histories theories and practices this book offers timelines reading lists and

glossaries to help orient the student in a field of study often filled with irony and contradictions Furthermore the influence of anti feminists and the impact of visual culture tell a story of how power is made and how it is challenged Throughout this book students are invited to consider their relationship with feminism and to critically reflect on a position that holds true to their faith as they are experiencing it in the twenty first century

A Feminist Companion to John Amy-Jill Levine, Marianne Blickenstaff, 2003 the first of 2 volumes that deal with the Fourth Gospel The contents include an introduction Jesus Women and conversation in the Fourth Gospel The Divine Trickster A tale of two weddings in John Cultural Stereotypes of Women and Public and Private Space from back cover

Feminist Theologies for a Postmodern Church Loraine MacKenzie Shepherd, 2002 Liberal modern approaches to theology have tended to silence voices from the margins This book offers an alternative feminist theological approach that more adequately addresses issues of diversity and marginalization It critically examines and combines aspects of four different feminist approaches Elisabeth Schussler Fiorenza's critical modern Mary McClintock Fulkerson's poststructural Kwok Pui-lan's postcolonial and Kathryn Tanner's postliberal This alternative feminist theological approach is then used to examine how a liberal mainstream Protestant denomination has dealt with issues of sexual orientation and gender Particular attention is given to biblical interpretation as shaped by community the role of traditional doctrine assumptions of authority and revelation and communities of accountability

Ethics of Biblical Interpretation Daniel Patte, 1995-05 Daniel Patte argues here that when male European American scholars interpret the Bible to produce a universally legitimate reading they silence the Bible itself Their reading practices exclude feminist African American and other so called minority readings as well as the interpretations of conservative and liberal laity He further claims that ethical accountability requires recognizing that all exegesis consists of bringing critical understanding to ordinary readings especially faith interpretations Patte concludes that biblical studies must affirm the legitimacy of diverse ordinary readings and lead to an open discussion of the relative value of these readings

Bread Not Stone Elisabeth Schussler Fiorenza, 1995-07-31 This feminist classic explores the ways in which women can read the Christian Bible with full understanding of both its oppressive and its liberating functions In the substantial new Afterword to this edition Elisabeth Schussler Fiorenza situates Bread Not Stone in relation to mainstream Biblical scholarship Catholic and Protestant theologies liberation theologies and nineteenth century feminist writings on the Bible

Sexual Politics in the Biblical Narrative Esther Fuchs, 2000 She also deconstructs the Biblical sexual politics by asking whose interest is being served by the good women of the Bible

Brown,1999-05-30 Argues that American women writers contentious dialogues with the Bible ultimately reconstruct the writers own basis of authority *Naming Grace* Mary Catherine Hilker,1997 It is not a lack of training in the art of rhetoric that accounts for the ineffectiveness of preaching within the Christian churches More significant is the lack of adequate theological foundations While recognizing the great contribution that neo orthodoxy and the dialectical imagination have made Hilker's major contribution is a scholarly examination of the resources of the sacramental imagination
