Button Gets Drebed:

A Gentleman Gets Dressed Up Revised and Expanded John Bridges, Bryan Curtis, 2012-01-02 *A Gentleman Gets Dressed Up* is not a book about style it is a book about the rules rules that will allow any man to feel more comfortable in the choices he makes about what he wears Let s get one thing straight Clothes do not make the man but they do make a difference And regardless of whether we like the idea of appearances driving impressions a man s exterior often is perceived as an indicator of what s happening on the interior Fortunately tasteful and appropriate dressing doesn t require inordinate amounts of time or money Any man can hit the door in fine shape with only a little forethought and a bit of attention to a few guidelines Never mind the heady cologne and designer labels With a navy blazer a good bar of soap and a regular haircut regimen he ll be well on his way to becoming the guy who knows exactly how to suit up regardless of the occasion Most important *A Gentleman Gets Dressed Up* illustrates how a man s natural confidence and personality are the best foundation for any wardrobe
