Buying America Back:

Buying America Back Alan Uke, 2012 A successful American entrepreneur offers solutions to the loss of American jobs and manufacturing To help consumers understand buying choices he advocates a movement to pass laws to label imports with the percentages of a product s costs of manufacture in the countries of origin and data showing whether trade ratios are balanced and beneficial to the United States Provided by publisher **Buying America Back** Jonathan Greenberg, William Kistler, 1995-10-01 A Public Policy Revolution Ending Four Decades (1970-2010) of Economic Stagnation and Three Decades (1980-2010) of Growing Income Inequality in John Shtino, 2010-11 A PUBLIC POLICY REVOLIUTION A New Direction for a New America asserts that America s economic life is ruled by a supply side drip down system that overwhelmingly favors capital over labor and leads to a massive income inequality preventing the country from reaching its economic potential Author John Shtino believes that this existing supply side system is a ticking time bomb that is supported by all major parties and an American elite that is incapable of implementing the changes needed to make America greater than ever including truly reforming health care ending welfare as we know it simplifying the tax code legalizing victimless crimes creating a new education paradigm bringing the debt to fifteen percent of GDP and much more Thus A Public Policy Revolution is dedicated to the destruction of the supply side system offering as a replacement a new demand push paradigm which would treat capital and labor fairly and guide us toward a more prosperous and equitable America Since the author further believes that neither party as presently constituted can bring about this much needed change he aims to dramatically change the Democratic Party or if unsuccessful in this attempt to establish a meaningful third party His work not only examines the economic and political problems facing the United States but also offers means to solve them *Global Dreams* Richard J.
