Myrick Howard, 2023-10-03 What does it take to save endangered historic properties This practical guide builds on decades of historic preservation experience to provide readers with legal financial political and technical tools and strategies to be more effective preservationists Myrick Howard makes clear that large sums of money are not necessarily needed to save endangered historic properties but knowledge and passion are essential This book shows how preservation minded neighbors and organizations can succeed with only modest resources and rather than clash with developers can become developers themselves for community benefit Howard draws on case studies from forty five years of successful work leading Preservation North Carolina with lessons that are applicable coast to coast This richly illustrated fully revised and redesigned second edition includes detailed projects to renovate vacant houses in working class neighborhoods reflections on addressing racial equity through preservation an
