SUCCESS BY CHOICE NOT BY CHANCE WITHOUT EXCUSES Laurence P. Huntley, 2013-11 *Success by Choice Not By Chance* gives a road map which clearly shows the potential for any one to succeed in life whether they came from Tupelo Mississippi or was born on Wall Street This book is about Ernie Tucker who defied the laws of success and has lived a charmed life by following the principles of having faith repetition imagination and above all persistence He says success has no room for excuses it is all up to you It is a choice one makes not a chance one takes because chances is gambling and depends on the roll of the dice It shows you that if you have a clearly defined objective and is willing to make the necessary sacrifices in the long run your dream will become your reality The book entails what he had faced handled and triumphed over to become the success that he is It is his dream to leave a legacy to the coming generations of whomsoever wishes to succeed be it family friend or stranger Embedded in the pages are elements of the will wit and determination it took to get him there It says that success is accessible but it is all up to you To embrace the principles that took him there you must follow his proven method for success It shows you that success is a constant pursuit not an overnight affair It is in fact for Ernie a true fulfillment of Martin Luther's dream that black men and white men could work together in unity Since success is not a respecter of persons when Ernie's principles of faith are enacted regardless of your color creed race or national origin success will be attained when you step out in faith and have a vision of your goals

Not By Chance By Choice Desmond Richardson, 2020-08-26 The word hope takes on a new definition under the idea of no limitations but this world has a way of delaying someone's hope Endless nights of unceasing prayer from

the people of this land and yet with all these ideas on unity we cannot seem to get it together We put our hopes in visions and signs and we spend our nights waiting on our every word to come to pass We do all these to bring about a better future This book explains why our hopes have been delayed why life never seems to go according to plan This book uncovers secrets in life that have been kept from us but now I hold these secrets hostage and give them back to the people Even more this book shows us healing My zeal for my ambitions always put me in tough positions It was a point in my life when I was hearing voices my hands would not stop shaking my stomach was in constant pain and my vision was blurred My pride would not let me ask for help to recovery but in my sickness secrets came about Two year later I am healed I am now a small business owner an author and a college degree holder After you read this book I hope you come to understand that life is not by chance but by choice and the choices someone makes will make them
