Verba Verbi Dei; the words of ... Jesus Christ, harmonized by the author of 'Charles Lowder'. Maria Trench, 1903

Searchlights from the Word G. Campbell Morgan, 2010-04-01 1188 sermon suggestions One from every chapter in the Bible Morgan's expositions sparkle as they enhance Bible texts from every chapter in the Bible Concise and delightfully free of redundancy these selections reveal the master expositor's keen analytical insight into God's Word To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively the author mentions that these are sermon suggestions not sermons or sermon outlines He intentionally left the notes untitled preferring to let the text of Scripture be their only caption These penetrating truths firmly anchored in Scripture are best described by G Campbell Morgan himself On every page of the God-breathed Writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context They are searchlights From the multitude of these I have selected one in each chapter of the Bible Perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context
