By Grace Through Faith A Study In Christian Discipleship:

By Grace Through Faith bradford hoel, Finding Your Way Through Faith Bruce Speer, 2011-05 Are you struggling to understand what it means to live as a follower of Christ Dr Bruce Speer takes a close look at the principles God has established for each area of life Designed for discipleship teams Finding Your Way through Faith provides a comprehensive look at beliefs about eternity spiritual gifts and evangelism Each point is thoroughly supported by Scripture with clear questions that point out common false beliefs No matter where you are in your walk with God this guide will equip you as you work on Finding Your Way through Faith This study 1 Prevents Christians from living defeated lives 2 Develops Christians into committed disciples 3 Involves Christians in life changing ministry 4 Establishes unity that produces godly results 5 Strengthens marriages 7 Restores excitement and accountability into the body Discipleship that Fits Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today *Conversion and Discipleship* Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a

requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow

Ivory, 2008-01-01 In this volume Luther Ivory reflects on how to live the call to discipleship as an individual and as a community He describes the significance of active listening in the invitational rhythm of call and response and clarifies the biblical mandate for individuals and the church to respond to the call to join God in the struggle against evil and to establish righteousness in the world Ultimately he demonstrates for readers how to live a life of engaged piety which links reverence for God to the act of confronting injustice The Foundations of Christian Faith series enables readers to learn about contemporary theology in ways that are clear enjoyable and meaningful It examines the doctrines of the Christian faith and stimulates readers not only to think more deeply about their faith but also to understand their faith in relationship to contemporary challenges and questions Individuals and study groups alike will find these guides invaluable in their search for depth and integrity in their Christian faith
