By His Own Hand Upon Papyrus:

By His Own Hand Upon Papyrus Charles M. Larson, 1992 *Translation of the Book of Abraham Written by His Own Hand Upon Papyrus and Found in the Catacombs of Egypt*, *The Pearl of Greatest Price* Terryl Givens, Brian Hauglid, 2019-09-04 The Pearl of Greatest Price narrates the history of Mormonism's fourth volume of scripture canonized in 1880. The authors track its predecessors, describe its several components and assess their theological significance within the Church of Jesus Christ of Latter-day Saints. Four principal sections are discussed along with attendant controversies associated with each. The Book of Moses purports to be a Mosaic narrative missing from the biblical version of Genesis. Too little treated in the scholarship on Mormonism, these chapters produced only months after the Book of Mormon was published actually contain the theological nucleus of Latter-day Saint doctrines as well as a virtual template for the Restoration. Joseph Smith was to effect. In *The Pearl of Greatest Price* the author covers three principal parts that are the focus of many of the controversies engulfing Mormonism today. These parts are The Book of Abraham, The Book of Moses, and The Joseph Smith History. Most controversial of all is the Book of Abraham, a production that arose out of a group of papyri Smith acquired along with four mummies in 1835. Most of the papyri disappeared in the great Chicago Fire, but surviving fragments have been identified as Egyptian funerary documents. This has created one of the most serious challenges to Smith's prophetic claims the LDS church has faced. LDS scholars, however, have developed several frameworks for vindicating the inspiration of the resulting narrative and Smith's calling as a prophet. The author attempts to make sense of Smith's several at times divergent accounts of his First Vision, one of which is canonized as scripture. He also assesses the creedal nature of Smith's Articles of Faith in the context of his professed anti-creedalism. In sum, this study chronicles the volume's historical legacy and theological indispensability to the Latter-day Saint tradition as well as the reasons for its resilience and future prospects in the face of daunting challenges. *The Founder of Mormonism* Woodbridge Riley, 1903 *The Mormon Doctrine of Deity* Brigham Henry Roberts, 1903 **Home Mission Monthly**, 1915 *The Truth about Mormonism* James Henry Snowden, 1926 *Fads, Fakes, Freaks, Frauds, and Fools* William Edward Shepard, 1923 **The Pearl of Great Price** Joseph Smith (Jr.), 1891 *The Pearl of Great Price*, 1909 **The pearl of great price: being a choice selection from the revelations, translations, and narrations of J. Smith. Divided into chapters and verses by J.E. Talmage** Joseph Smith (Jr.), 1902 **The Conversion of Mormonism** George Townshend, 1911 **Religious Pamphlets**, 1916

The Cambridge History of American Literature: Later national literature: pt. II William Peterfield Trent, John Erskine, Stuart Pratt Sherman, Carl Van Doren, 1921 *Field Guide to the Wild World of Religion* Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world. It matched the tame, predictable world of women's clothing where most women going out shopping wore a dress with coordinating gloves, hat, and shoes. And it matched the tame, predictable world of children's toys where almost every young girl yearned for a baby doll that said Ma Ma and almost

every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide

The Prophet Joseph Smith C. Paul Smith, 2019-04-10 Joseph Smith Prophet and the founder of The Church of Jesus Christ of Latter day Saints continues to be the subject of adulation by many but he is the object of derision by some Mormon critics C Paul Smith an experienced trial attorney and strong defender of Joseph Smith highlights six historical and doctrinal issues pertaining to the prophet that remain the subject of debate plural marriage the succession of leadership following his death the stories of three splinter churches that broke off from the church founded by Joseph Smith the Book of Abraham blacks and the priesthood and six alleged false prophecies made by Joseph Smith The chapters on plural marriage give a concise history of key events of its introduction as a part of the restoration of the gospel of Jesus Christ The chapter on the Book of Abraham scrutinizes and exposes the fatal flaws in the arguments made by some Egyptologists that Joseph Smith's translation of the Book of Abraham is a fabrication The chapter on blacks and the priesthood analyzes race relations in the 20th century and it reviews some lesser known statements by Joseph Smith The chapter on three LDS splinter churches provides important historical insights about three organizations that broke away from the Church in 1844 1852 60 and 1863 With debate still swirling around Joseph Smith it is more important than ever to understand the truth about him in order to appreciate the quality of who he was and the great importance of his work

It's Time Cindy Prince, 2013-09 Does it really make a difference to God how we worship Him Do you think He cares Is there a way to know for sure Should evidence matter when we're walking by faith Is the God who created the universe still in the business of changing lives It's Time is the story that answers Yes to all of the above It is the journey of a family of seven devoted to a religion they loved and had no intention of ever leaving but God had other plans Dive in and discover how God opens the door scoops them up and redirects their path how the Spirit uses everything from casual conversations to major life events to reveal His truth and guide their journey how He uses seeds that had been planted long before the day He said It's time and how He repeatedly answers the prayers they dared not express in the way that only He could have known their hearts needed leading them to the grace of His unconditional love Let it encourage enlighten and remind you that we serve a mighty God He cares He calls and He has given us everything we need to respond through His Word and His Spirit and He doesn't stop there Trust in the Lord with all thine heart and lean not unto thine own understanding In all thy ways acknowledge him and he shall direct thy paths Proverbs 3:5-6
