recovers from a terrible assault by their father she teaches him about the magic in the land the tombs of ancient kings about the treacherous Red Cap and the places where the adults don't go When she disappears all eyes turn to their father They search the woods pushing deeper into the strange spaces where myths grow among the ancient oaks But only the boy knows the secret paths they took and the way to the lake where wishes come true A story of the potent and dark spaces of folklore channelling Robert Holdstock as Mythago Wood and Catriona Ward as Rawblood Haynes plunges deep into the landscape revealing the darkness that hides beneath

Write By Your Side D.J. Van Oss, 2022-02-15 Ellie Chambers always wanted to be a writer Now she was a successful author but it had come at a price Two prices actually The first was the fallout from a hastily signed contract with Margo Rollings the Publisher Who Wouldn't Die And the second was Sam Price her former writing partner and almost fiancé Sam Price had dreamed of being the next Hemingway not the hack ghostwriter behind the popular Lottie Long cozy mystery series But days spent with his dad as a carpenter in quaint Golden Grove Iowa gave him little time for much else An unforeseen catastrophe in the form of Margo Rollings leaves Sam with the ultimate lose lose proposition write another book with Ellie or face a ruined career The result leads them into the deadly world of laser guided rosary peas and spam cupcakes But can Ellie and Sam put aside their differences in order to save their careers and is there a happily ever after waiting for them at the end

Faded Emotions Samyukta Kumar And Nosiru Sharon M, 2021-01-21 Faded Emotions as the name suggests is a book that corresponds to the submerged and drifted emotions one hides from expressing The feelings that were suppressed in an effort to forget are finally penned down in this space This anthology consists of poetries narrations micro tales and short stories based on the topic being true to the name of the book It is not only a compilation of writings from various authors but also a flow of thoughts and emotions that were meant to be claimed and expressed to the readers Faded Emotions holds the work of literature by writers across the world who have put in their pieces to form this International Anthology We can see the true efforts behind every writing and most importantly the feelings they hold Through this anthology we hope to bring to our readers the tales and poetry that they can relate to and the fact that expressing one's inner self is a pure feeling It may be love betrayal affection or realization each emotion holds value that we wish to bring through This is not just an anthology of compiled genre it is truly a compilation of Faded Emotions brought back to life by the beauty of writing
