Business Infrastructure In A Computer Environment:

How To Start Up A Software Business Within A Cloud Computing Environment: An Evaluation Of Aspects From A Business Development Perspective Thomas Buchegger,2014-02-01 The author is beyond excited about the potential that comes from new ventures One of the key characteristics of successful entrepreneurs is courage but courage only is most often far too little and can end up in a fiasco soon The author is convinced that there is a set of rules that is valid for most companies Knowledge and usage of this set of rules could make an entrepreneurs life much easier The key question within this book is What aspects of business development are of tremendous importance for Software as a Service start up companies In order to find some answers to this question the author defined a pattern by outlining his findings within a fictional company called CashOnePro **Retiring? Beware!!** Michael Bivona CPA,2014-12-12 If you start working at age twenty and retire at age sixty theres a good chance youll spend as many years in retirement as you did working Michael Bivona a certified public accountant who retired almost twenty years ago shares how he saved enough money to retire comfortably He also explores the importance of continuing to be productive and having fun even after you stop working Drawing on his professional expertise and experiences he helps you develop retirement plans realize the full value of Social Security payments explore your passions and stay healthy celebrate life with the people you love Bivona also shares his love for dancing traveling and writing helping you come up with your own ideas about all the things you can do once you stop working Life may be short but retirement can last longer than you thinkand you need to make the right moves to enjoy it to its fullest *Retired? What's Next?* Michael Bivona,2012 You ve spent an entire career working hard and now it s time to retire But what exactly does that mean Author Michael Bivona was unsure about what to do with his life when retiring but he didn t let that stop him from finding ways to enjoy it In this memoir and guidebook he describes his retirement experiences and considers how to overcome challenging physical times that most retirees face enjoy new hobbies without getting ripped off find activities to enjoy with your significant other and stretch a retirement budget He looks back on the great vacations and places he s enjoyed with his wife Barbara during retirement Learn from his mistakes and follow in his footsteps to live some great experiences of your own You ve worked hard to get to this point and you don t want to mess things up now Get the information tools and strategies you need to live your life to the fullest in retirement Retired What s Next by Michael Bivona CPA published by IUniverse was a finalist in the Annual Eric Hoffer Awards for Short Prose Independent Books After a rigorous first round of judging less than 10% of over 1 000 entrants were privileged to have the 2013 Eric Hoffer Award FINALIST Excellence in Independent Publishing assigned to their books and digital presentations The US Review of Books Before retiring it s wise to begin building bridges to things you are passionate about so that when the time comes you have a choice of which bridges you can comfortably take into the next phase of your life Some people transition seamlessly into their golden years while others have a tougher time entering into retirement wondering what s next In Retired What s Next retired

accountant Michael Bivona shares his answer Part memoir part retirement guide this is both informative and inspirational Touching on essential aspects of retirement like remaining healthy financial matters preparing a will finding part time and or volunteer work Bivona delivers practical real life advice and insightful reflections I realized after a friend s demise that many of the possessions that he had accumulated over his lifetime and were so dear to him were of no interest to his heirs or friends and were disposed of like pieces of junk Staking his own territory in the popular and compelling category of memoir writing Bivona writes in a genuine narrative tone about how to manage the freedom new opportunities and choices of retirement by focusing on what he knows and enjoys traveling dancing boating fishing tennis golf writing reading and collecting books And showing by example Bivona frames his real life tips on planning for a rewarding retirement around his reflections and recounting of the collective highlights and significant moments and events of his life and retirement journey with his wife Barbara Clearly the Bivonas have a winning strategy for living life to the fullest in retirement By learning not merely how to cope but to thrive by crafting a retirement path that is focused on personal fulfillment and joyful meaning as evidenced by their successful post retirement journey In Retired What s Next retired readers or those thinking of or planning for retirement will gain insight from Bivona s shared personal wisdom and learn by example the guidance of his inner and outer retirement journeys which can be applied to their own retirement goals for staying happy healthy and active
