## **Business Of Judging Selected Essays And Speeches:**

**The Business of Judging** Tom Bingham, 2000-08-03 Tom Bingham 1933 2010 was the greatest judge of our time The Guardian a towering figure in modern British public life who championed the rule of law and human rights inside and outside the courtroom The Business of Judging collects Bingham's most important writings during his period in judicial office before the House of Lords The papers collected here offer Bingham's views on a wide range of issues ranging from the ethics of judging to the role of law in a diverse society They include his reflections on the main contours of English public and criminal law and his early work on the incorporation of the European Convention on Human Rights and reforming the constitution Written in the accessible style that made The Rule of Law 2010 a popular success the book will be essential reading for all those working in law and an engaging inroad to understanding the role of the law and courts in public life for the general reader

**The Work of the British Law Commissions** Shona Wilson Stark, 2017-07-13 The Law Commission of England and Wales and the Scottish Law Commission were both established in 1965 to promote the reform of the laws of their respective jurisdictions Since then they have each produced hundreds of reports across many areas of law They are independent of government yet rely on governmental funding and governmental approval of their proposed projects They also rely on both government and Parliament and occasionally the courts or other bodies to implement their proposals This book examines the tension between independence and implementation and recommends how a balance can best be struck It proposes how the Commissions should choose their projects given that their duties outweigh their resources and how we should assess the success or otherwise of their output Countries around the world have created law reform bodies in the Commissions' image They may wish to reflect on the GB Commissions' responses to the changes and challenges they have faced to reappraise their own law reform machinery Equally the GB Commissions may seek inspiration from other commissions' experiences The world the GB Commissions inhabit now is very different from when they were established They have evolved to remain relevant in the face of devolution the UK's changing relationship with the European Union increasing pressure for accountability and decreasing funding Further changes to secure the future of independent law reform are advanced in this book

**English Legal System** Alisdair Weare Gillespie (Siobhan), 2025 *The English Legal System* Alisdair Gillespie, Siobhan Weare, 2019 An engaging guide to the English legal system which helps students new to law develop a critical legal mind Presenting and critiquing the law in a lively style this text invites students to question analyse and evaluate

**The English Judges** Robert Stevens, 2002-10-18 In this new book Robert Stevens looks at the English Judiciary from an historical perspective with especial reference to its changing role in the 20th Century He examines current debates about the position of the judges in the light of the possible future role of the judiciary in the Constitution The centrepiece of the book is a detailed study of the political influences on the judiciary and the influence the judiciary has had on politics in the 20th Century It concludes with a series of proposed reforms to ensure that the English judiciary will both

maintain its strength but enhance its utility in the 21st Century It offers no simple minded argument for separation of powers but analyses what is needed to clarify the balance of powers and to advance the debate about the role of an unelected judiciary in an increasingly democratic society **The Spectator** ,1899 A weekly review of politics literature theology and art

**Lives of the Law** Tom Bingham,2011-09-01 Tom Bingham 1933 2010 was the greatest judge of our time The Guardian a towering figure in modern British public life who championed the rule of law and human rights inside and outside the courtroom Lives of the Law collects Bingham s most important later writings in which he brings his distinctive engaging style to tell the story of the diverse lives of the law its life in government in business and in human wrongdoing Following on from The Business of Judging 2000 the papers collected here tackle some of the major debates in British public life over the last decade from reforming the constitution to the growth of human rights law They offer Bingham s distinctive insight on issues such as the role of the judiciary in a democracy the implementation of the Human Rights Act and the development of the rule of law in the UK and internationally Written in the accessible style that made The Rule of Law 2010 a popular success the book will be essential reading for all those working in law and an engaging inroad to understanding modern constitutional and legal debates for the general reader
