Busy Robots Surprise:

Noah's Key Hüseyin Sipahi, Years ago space pirates attacked the Earth and the inhabitants of the planet who were caught off guard could do nothing All the children on the planet had been kidnapped by pirates Despite all the searches no traces of the space pirates and children were found In the following year of this great pain two children came to Earth and hopes rose again on the planet However these enemies which attacked again years later entered the planet without entering the radars These two children were taken off the planet by their families in a spacecraft to be safe They were traveling through space unaware that they would become the hero of a mysterious mission They suddenly find themselves on a desolate planet facing the same fate as Earth where they will face too many problems to solve in NOAH **Citizen Robot** Andrew Grogan,2023-01-04 Citizen Robot and its girlfriend Julia embark on a sci fi journey that explores the intriguing interaction between humans and technology In this novella featuring five interconnected short stories the central theme revolves around the concept of consciousness Can technology give rise to a genuine human like consciousness Andy Grogan weaves a thought provoking narrative as each story tackles various aspects of consciousness The boundaries of human understanding are pushed from the quest to create a unique consciousness through technology to the poignant question of whether artificial consciousness would willingly sacrifice itself to save others In the story of Julia and Duncan skilled professionals in the tech industry their lives intertwine with world changing events that challenge conventional notions of consciousness The nurturing of technology akin to raising a child becomes a pivotal aspect as compassion curiosity emotions and ultimately empathy are required to elevate technology to the level of human equivalence Through Modern Family the tale explores what happens when a pandemic wipes out humanity leaving technology as the sole remnant Can technology embrace human fundamentals within a nurturing environment and in turn define its own path Sandover Robot Death March delves into the subservient role of conscious robots and their rights Is technology destined always to serve humans or can the balance of power shift The Nine Captains contemplates the possibility of cloning consciousness If consciousness is destroyed but perfectly replicated is it truly the same person Can two individuals share the same consciousness In Vito Mastecrook the journey continues as the story explores how consciousness persists even after death Lastly Fade News delves into the intersection of truth consciousness and the realm of fake news As falsehoods fade the murky line between truth and deception becomes apparent The novella provocatively prompts readers to ponder the complex relationship between consciousness and artificial intelligence Brace yourself for a captivating exploration of the depths of human understanding
