*Butch Elects a Mayor* Helene Hanff, 1969 When his father runs for mayor Butch almost ruins the election campaign by trying to help      More Than Mayor Or Manager James H. Svara, Douglas J. Watson, 2010-12-02 More than Mayor or Manager offers in depth case studies of fourteen large U S cities that have considered changing their form of government over the past two decades The case studies shed light on what these constitutional contests teach us about different forms of government the causes that support movements for change what the advocates of change promised what is at stake for the nature of elected and professional leadership and the relationship between leaders and why some referendums succeeded while others failed      Spirits in the Grass Bill Meissner, 2008-12-08 When Bill Meissner's collection of short stories Hitting

into the Wind was published in 1994 it was called a quiet masterpiece of baseball writing by the Greensboro North Carolina News and Record The Seattle Post Intelligencer said Bill Meissner captures baseball with all its crystalline beauty the remarkable reverberation of time and space and character And The New York Times Book Review said Just about every tale here recalls those precious years when a chance to play in the majors was all a boy could ask from life Now in his first novel Bill Meissner again uses baseball as a window to his characters In *Spirits in the Grass* we meet Luke Tanner a thirty something ball player helping to build a new baseball field in his beloved hometown of Clearwater Wisconsin Luke looks forward to trying out for the local amateur team as soon as possible His chance discovery of a small bone fragment on the field sets in motion a series of events and discoveries that will involve his neighbors local politicians and the nearby Native American reservation Luke's life most of all will be transformed His growing obsession with the ball field and what's beneath it threatens his still fragile relationship with his partner Louise and challenges Luke's assumptions about everyone especially himself *Spirits in the Grass* rings true with small town Midwestern values The characters including Luke's independent partner Louise grapple with their passion and their identities In this beautiful and haunting novel baseball serves as a metaphor for life itself with its losses and defeats its glories and triumphs      **The Book Buyer's Guide** , 1969
