Concise, Modernized Edition Bernard Bangley,2012-01-01 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler's multi volume *Lives of the Saints* presents a modernized text for today's reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler's daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler's distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten **Butler's Lives of**

the Saints Alban Butler,Sarah Fawcett Thomas,1995 The 200 year old Butler's *Lives of the Saints* has undergone a thorough revision and rewriting and is now presented as a 12 volume set categorized according to months of the year This volume includes those saints commemorated in November **Butler's Lives of the Saints** Alban Butler,1963 **Butler's Lives**

century of martyrs largely those of Nazism and Communism and they feature prominently those of nominally Catholic military regimes are less favoured The Introduction will make such points This volume proposes to cover a four year period in the Butler s style Blessed appearing in the 1995 2000 volumes who have since been canonized will have their entries updated and expanded as necessary new blessed will be featured with the information that is available which in the case of some Third World figures is not very much Entries will therefore range from around 3 000 words to 200 with an average of some 800 The number of entries will be approximately 80 **Butler's Lives of the Saints** Alan Butler, 1965
