Butler's Lives of the Saints: Concise, Modernized Edition Bernard Bangley,2012-01-01 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler s multi volume Lives of the Saints presents a modernized text for today s reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler s daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler s distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten

Butler's Saint for the Day Alban Butler,Paul Burns,2007 Adapted into a single volume for daily devotional reading Butler s Saint for the Day features the life of one saint or blessed for each day of the year Originally published as the New Concise Edition of Butler s this revision puts much more emphasis on 20th century figures and reflects the late John Paul II s attention to holy men and women throughout the world especially the Americas
