Steps to Wealth John L. Fitzgerald,2018-05-03 Get the most out of property investment and secure your financial future 7

Steps to Wealth is the only real estate book in Australia endorsed by three of Australia's property billionaires. It shares John L. Fitzgerald's own 35-year proven property strategy supported statistically and with real-life case studies from readers of earlier editions. Now in its 8th edition, the book is completely up to date with the latest census data, location criteria, and growth forecasts. Most importantly, the book exposes the difference between property and real estate, proving that it's only the land that appreciates and that the buildings that sit on the land actually depreciate. Indeed, 7 Steps to Wealth uses Warren Buffett's secret of compound growth but adapted for Australian property investors. Fitzgerald proves that certain residential land is Australia's best growth asset and will continue to be given current record population growth. Unlock the secret power of compound growth and make it work for you. Avoid the common mistakes that most property investors make. Read case studies and testimonials from millionaires using the 7-step strategies. Understand how to safely build wealth in property, be cashflow positive, and still get a tax deduction. With Australia's record population growth, there is no better time for Australians to use this proven strategy to safely build wealth for a comfortable retirement, one that doesn't mean relying on government welfare.

7 Steps to Accelerated Wealth John L. Fitzgerald, 2012-01-30 In Seven Steps to Accelerated Wealth, John Fitzgerald shares his seven key principles of accelerated wealth building through property. This practical guide shows readers how to make 1 million by following the author's simple and proven system of developing a low-maintenance, low-risk portfolio of investment property as an asset base. Author John Fitzgerald is a property investor and developer. A self-made success story, he made his first million at age 23, having developed a successful formula for real estate investment. He has since bought and sold over 8,000 properties.

Money Mastery Billy Epperhart, 2019-02-19 You cannot serve both God and money. Matthew 6:24, but unfortunately many people serve money without ever consciously choosing to do so. By not learning how to manage your money, you become a servant to your finances. Even though you desire to boldly serve God, you end up serving money by default simply because of your financial situation.
