Restoring Cultural Foundations: a Wake up Call to America R. James Tasker, 2011-02-25 America is in trouble Out of control spending Massive debt Political ineptness Constitutional indifference Corporate greed Union corruption Moral chaos Biblical faith under attack Militant Islam Fifth column foes within and powerful enemies without National weakness from top to bottom Our very survival is at stake Is there a way out or is it too late Our founding Fathers would be appalled but not surprised at the depth to which our once legitimately proud nation has plunged Understanding the biblical view of fallen human nature they built a cultural foundation based on Judeo Christian Law and values unknown in the world before or since But as brilliant as they were they could not win the battle to keep the foundation intact for posterity They charged each generation with that Restoring Cultural Foundations A Wake Up Call to America shows through a study of the Ten Commandments that a return to the Judeo Christian principles on which the Founders built our nation is imperative for an orderly society and lasting liberty Departing from Gods ways they believed courted certain disaster Written for families businesses and churches the author lays out ways our nation can return to our foundation and regain our lost dignity security and well being

The Authority of Love Greg Williams, 2020-10-22 A wake up call for the modern day American church to restore the Biblical standards of marriage family and the church which are still compelling and transforming Bob Russell Retired Southeast Christian Louisville KY Greg is a down to earth practitioner of faithful Christian living Love and Lordship is in touch with the real world flesh and devil and how each seeks to threaten and corrupt our daily walk with Christ Ken Idleman President retired Ozark Christian College Love what we desperately seek Authority what we doggedly avoid unless we re in control which is not real authority The Authority of Love shows how to bring them together Truth love authority humility a servant s heart all qualities of Christ all qualities we aspire to as disciples of Christ Christ is the Way the Truth and the Life Christ God is Love All Authority has been given to Him and in Him all things were made and exist by Him He is the epitome of Humility He displayed the purest of servant hearts All of these tremendous traits and virtues are found in Him Throughout the centuries we ve tried to attain these as noble and good and yet as is so often the case we ve defined them in our own terms much to our detriment We separate virtues in order to perfect them in and of ourselves Christ had a better way and in His Kingdom we find that because He embodied and modeled all of these traits and qualities in perfection He calls us to walk accordingly Instead of following culture and separating them attempting to perfect each we would be wise to follow His example as our Lord and see them as inseparable and live them as He did Separating these qualities as we are prone to do in our flesh has never worked The Authority of Love points us to Christ and God s Word and draws on real life stories to show us how Truth Love Authority Humility and a Servant s Heart are embodied in Christ and His Kingdom and how we can follow His lead in our life marriage family and in His Church to show the world a different way His Way If you are serious about walking with Christ as Lord in your life marriage family every area of your life this book is for you As I

wrote this book we found ourselves in the middle of the first global pandemic in a century and political and social upheaval in the US like we've not seen in the last half century Our faith is being tested I believe God is calling Christ's Church to a spiritual awakening not just simply to do church services differently serve more people and accommodate the culture thinking we will reach more It is a call For personal and collective confession and repentance of idolatry and compromise For believers to absolutely make Christ Lord of every part of your life For men to be Godly relational servant leaders as husbands who love their marriage spouse and family above their own success glory and desires just as Christ did for His Bride The Church For marriages to be a positive testimony to the Gospel of Christ so the world will see and know Him To husbands and wives to submit to one another out of reverence for and submission to Christ as Lord To disciple our children in our homes and in all of the above build loving relationships that strengthen Christ's Church To move beyond drawing people into a weekly one hour service or a couple hours of weekly activity to our communities or the world To disciples making disciples in loving relationships and holding each other accountable to obedience as we walk in His Love and Lordship That call is the message of this book Reader's say Greg Williams provides us with a much needed Spiritual gut check in *The Authority of Love* and the guidance we need to get back on track Greg is amazing speaker and author This book is an essential book for our churches and leaders to read and grow in the Lord's will for their life Highly recommend **By His Word** John Filippi, Bruce A. Malone, 2004-11 *Saving a Sick America* Michael L. Brown, PhD, 2017-09-26 Nationally syndicated radio host and columnist Michael Brown provides a handbook for a biblically based moral and cultural renaissance revealing that the key to recapturing America's greatness consists in returning to our spiritual and moral roots America is at a tipping point and never has this been more apparent than right now We are in danger of losing our spiritual and moral heritage making many believe that we have fallen beyond the point of recovery This book is here to say that yes we have fallen In fact fallen much further than we realize but that our country's best days are ahead with the help of a radical moral and cultural revolution beginning with the church This book is a manual for the revolution On all fronts Americans are talking about the need for revolution arguing from the left and the right that the status quo must go This book comes at just the right time as people are wondering what in the world has happened to our country from the homes to the college campuses from the inner cities to the White House from our national debt to the material found on our computers and TV screens In clear compelling prose Brown covers topics ranging from the sexualization of pop culture to the dumbing down of our schools to the undermining of family structures to a pervasive culture of entitlement while pointing consistently to the Bible's solution to these issues A radical call for reformation written with sobriety and hope *Saving a Sick America* provides the inspiration and guidance necessary for a moral and cultural revolution **Wake Up, America! God Is Calling** Virgil Corey, 2003-06 God speaks to us in every chapter on some major social problems that have been taking our nation further from his love care and protection For the first time God's Word answers the legal systems on these issues God's morality v the Courts immoral

decisions Actual court cases are used to show how God is being removed from our public lives by judges who substitute their own social philosophies for the U S Constitution These cases and court actions are explained in everyday language The author was a teenager in the Great Depression era and gives his experiences and observations on social changes that have adversely affected our family values churches schools and courts over the intervening years especially during the last few decades It should not take more national catastrophes to wake us to the need to do our part to bring about needed changes in our personal and public lives and turn our nation back to God so He can heal our land and give us His blessings as He has promised

America-A Purpose-Driven Nation Philip Michael Pantana,2007-11 AMERICA A PURPOSE DRIVEN NATION ONE NATION UNITED ONE GOD JEHOVAH ONE LAW BIBLICAL Freedom of Religion The founding of America was Providential not accidental America was founded on purpose for a purpose freedom to worship as people please Christianity is the faith that gave birth to freedom of religion Because of this spiritual heritage America is known around the world for freedom the Bill of Rights ensures for all citizens beginning with religious tolerance Reversing Current Secular Trends What secularists are doing today is repressive to the First Amendment and offensive to Christians The secularist agenda to enact Hate Crimes laws designed contrary to biblical principles is a destructive form of government opposing the consent of the governed Ronald Reagan hero of conservatives said The frustrating thing is that those who are attacking religion claim they are doing it in the name of tolerance Question Isn t the real truth that they are intolerant of religion Reversing the current trend of secularization in American society involves making two essential changes 1 quashing the unfriendly secularist war on faith and 2 overturning activist Courts which limit Judeo Christian expression in the public arena Real Problems Real Solutions This book features a Contract with Conservatives that offers real solutions to the vital issues we the people must come to grips with Like German reformer Martin Luther in October of 1517 Pantana nails 95 theses of conservatism on the false walls erected by secularists which separate church from state History is too filled with examples of this pattern for it to be ignored The silent majority must let its voice be heard loud and clear at the ballot box in the 2008 election For more information on the 95 proposals in the Contract with Conservatives visit www.purposedrivennation.com

The Powerless Church Kathe S. Rumsey,2020-07-07 As our nation

crumbles under our feet church services promoting society's wisdom do nothing more than appease our soulish nature The hour is late we no longer have the luxury of time to waste on fruitless pursuits Blaming our government and politicians for America's demise is easy However contrary to popular opinion politics is not the force for change Americans need Revival within the heart of every believer is the answer The plank in our eye causes us to falsely judge everything around us If we want God to restore America to her former glory Christians must repent and pray We must examine ourselves honestly in spirit mind and body Titus 2:11-15 3:1-11 Jude vs 3:5 11:13 Are we light and salt Has our salt lost its flavor Our nation's restoration solely depends upon believers responding faithfully to the Word of God Change begins within the heart of each member of the body of Christ
