Biblical Theology of the New Testament Peter Stuhlmacher, 2018-08-16 First English edition of an iconic work of German scholarship Since its original publication in German Peter Stuhlmacher's two volume *Biblische Theologie des Neuen Testaments* has influenced an entire generation of biblical scholars and theologians Now Daniel Bailey's expert translation makes this important work of New Testament theology available in English for the first time Following an extended discussion of the task of writing a New Testament theology Stuhlmacher explores the development of the Christian message across the pages of the Gospels the writings of Paul and the other canonical books of the New Testament The second part of the book examines the biblical canon and its historical significance A concluding essay by Bailey applies Stuhlmacher's approach to specific texts in Romans and 4 Maccabees

Thomas Erastus and the Palatinate Charles Gunnoe, 2010-10-15 This study is the first monograph to attempt a synthetic treatment of the career of Thomas Erastus 1524-1583 Erastus was a central player in the conversion of the Electoral Palatinate to Reformed Christianity in the early 1560s and a co-author of the Heidelberg Catechism In the church discipline controversy of the 1560s and 1570s Erastus opposed the Calvinist effort to institute a consistory of elders with independent authority over excommunication Erastus's defeat in this controversy and the ensuing Antitrinitarian affair proved the watershed of his career He turned to the refutation of Paracelsus and a debate with Johann Weyer on the punishment of witches The epilogue tracks Erastus's later career and the reception of his works into the seventeenth century

The Expositor, 1880 **Handbook to the Controversy with Rome** Karl von Hase, 1906 **Demonic Possession in the New Testament** William Menzies Alexander, 1902 Demonic possession in the New Testament is still an unsolved problem That statement is at variance with a considerable body of opinion recently expressed on two continents Nevertheless it is a correct representation of the present state of the case Modern writers have attained a certain unanimity only by approaching the subject from one point of view and confining attention to the more conspicuous phenomena But any investigation which claims finality must explore the whole environment and scrutinise all residual facts There is a comparative demonology to be studied there are types of mental disease to be examined there is a criterion of genuine possession to be discovered and applied The inquiry thus broadens out and takes account of many points hitherto ignored or neglected Preface

The Idler Magazine, 1909 *Contract as Assumption II* Brian Coote, 2016-04-21 This second collection of Brian Coote's previously published writings is for the most part a follow up to his *Contract as Assumption* Hart Publishing 2010 Part of the theme of that collection was that in a bilateral contract the obligations of the parties both primary and secondary are those which at formation they have each assumed that is have taken upon themselves Being exchanged at the point of formation these assumptions constitute the consideration The institution of contract provides

a facility the purpose of which is to enable the parties thereby to bind themselves to legal contractual obligation This emphasis on what happens at formation has prompted the inclusion of several of the papers in this collection These focus on intention offer and acceptance the qualification of primary and secondary obligations whether express or implied agency and the effect of illegality on pre existing rights Falling outside this group are two pieces respectively on chance and the burden of proof and on impecuniosity in each case in tort as well as in contract The collection ends with the author s valedictory lecture Contract an Underview In this paper delivered on his retirement from the University of Auckland he summed up his thinking on Contract It is now for the first time given general currency *The Idler* Jerome Klapka Jerome,Robert Barr,Arthur Lawrence,Sidney Herbert Sime,1909 **The king's dinner to the poor, in celebration of their majesties' coronation, reports of the Mansion house committee and of the borough sub-committees** ,1902 *Canner and Dried Fruit Packer* ,1915 **Chemical Age** ,1914 *The Chemical Engineer* ,1914 **Chemical Engineer** ,1913 *Journal of the Society of Chemical Industry* Society of Chemical Industry (Great Britain),1922 Includes list of members 1882 1902 and proceedings of the annual meetings and various supplements *The Journal of Biological Chemistry* ,1919 Vols 3 include the society s Proceedings 1907 *Possession* Olive Wadsley,1917 **Catalogue of the Petworth Collection of Pictures in the Possession of Lord Leconfield** Charles Henry Wyndham Leconfield (3d baron),Charles Henry Collins Baker,1920
