The River of Life Ahmed Musa, 2024-12-15 Step into the radiant beauty of eternity in The River of Life Eternity with God a vivid retelling inspired by the closing vision of Revelation This story brings to life the breathtaking scene of the New Jerusalem where God s presence shines brighter than the sun and His promises are eternally fulfilled Through rich imagery marvel at the crystal clear River of Life flowing from God s throne nourishing the Tree of Life that bears fruit in every season and offers healing to the nations Walk the golden streets of the city where sorrow pain and death are no more and experience the joy of dwelling with God forever Filled with themes of hope restoration and divine love The River of Life invites readers to envision the eternal future God has prepared for His people Perfect for those longing for encouragement and a glimpse of heaven this story is a timeless reminder of the unending joy and peace that await in God s presence **River of Life, River of Death**

Victor Mallet, 2017-10-13 India is killing the Ganges and the Ganges in turn is killing India The waterway that has nourished more people than any on earth for three millennia is now so polluted with sewage and toxic waste that it has become a menace to human and animal health Victor Mallet traces the holy river from source to mouth and from ancient times to the present day to find that the battle to rescue what is arguably the world s most important river is far from lost As one Hindu sage told the author in Rishikesh on the banks of the upper Ganges known to Hindus as the goddess Ganga If Ganga dies India dies If Ganga thrives India thrives The lives of 500 million people is no small thing Drawing on four years of first hand reporting and detailed historical and scientific research Mallet delves into the religious historical and biological mysteries of the Ganges and explains how Hindus can simultaneously revere and abuse their national river Starting at the Himalayan glacier where the Ganges emerges pure and cold from an icy cave known as the Cow s Mouth and ending in the tiger infested mangrove swamps of the Bay of Bengal Mallet encounters everyone from the naked holy men who worship the river to the engineers who divert its waters for irrigation the scientists who study its bacteria and Narendra Modi the Hindu nationalist prime minister who says he wants to save India s mother river for posterity Can they succeed in saving the river from catastrophe or is it too late Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States.
