By Water And The Spirit:

By Water and the Spirit Gayle Carlton Felton, 1997 By Water and the Spirit a 6 session study guide for use in small groups contains the official theological statement that describes the United Methodist understanding of baptism The book serves as a resource for congregational leaders who are helping members make connections between the baptismal covenant and discipleship in daily life

Have you truly been born again of water and the Spirit? Rev. Paul C. Jong, This title's main subject is to be born again of Water and the Spirit It has the originality on the subject In other words this book clearly tells us what being born again is and how to be born again of water and the Spirit in strict accordance with the Bible The water symbolizes the baptism of Jesus at the Jordan and the Bible says that all our sins were passed on to Jesus when He was baptized by John the Baptist John was the representative of all mankind and a descendant of Aaron the High priest Aaron laid his hands on the head of the scapegoat and passed all the yearly sins of the Israelites onto it on the Day of Atonement It is a shadow of the good things to come The baptism of Jesus is the antitype of the laying on of hands Jesus was baptized in the form of the laying on of hands at the Jordan So He took away all the sins of the world through His baptism and was crucified to pay for the sins But most Christians don't know why Jesus was baptized by John the Baptist in the Jordan Jesus baptism is the keyword of this book and the indispensable part of the Gospel of Water and the Spirit We can be born again only by believing in the baptism of Jesus and His Cross
