Leslie Alcock,1972 *'By South Cadbury is that Camelot - '* Leslie Alcock,1975 By South Cadbury is that Camelot Leslie ALCOCK,1972 **'By South Cadbury is that Camelot ...' The excavation of Cadbury Castle, 1966-1970 ... 15 colour plates. 95 monochrome plates. 36 line drawings** Leslie ALCOCK,1972 Camelot Adam Haviaras,2019-10-11 HISTORIA A Gateway to Ancient and Medieval History and Archaeology This book explores one of the most important sites in British history archaeology and literature a place that can more than any other lay claim to the name of Camelot The search for King Arthur and his famous capital of Camelot is a topic that has been hotly debated for over a hundred years with many theories being put forward It is a subject that has always been shrouded in the mist of fairy tales and legends making the truth difficult to discover However there is one candidate for Camelot that shines out and brings the Arthurian legend to life the hillfort of South Cadbury Castle In this book the reader will learn not only about the evidence for a historical King Arthur but also discover the most recent historical archaeological and toponymic evidence that make South Cadbury Castle the strongest contender for the title of Camelot Author and historian Adam Alexander Haviaras helps the reader to explore the possibility that King Arthur s Camelot was not just a medieval invention but that it was an actual place that played an important role in history and the British Heroic Age The true Camelot of Arthur may not be what you expect but the evidence that exists paints a clear picture of something even more exciting If you have an interest in ancient and medieval British history archaeology and Arthurian studies or if you are on your own search for a shred of truth about King Arthur then you will enjoy this in depth study of one of the most important archaeological discoveries in the quest for Camelot After reading this book you too may start to believe that Arthur and Camelot are not just medieval fabrications but that they actually did exist **The Historic King Arthur** Frank D. Reno,2007-03-20 Who was King Arthur How did the story originate Through careful research of the many primary documents a picture of the true Arthur can in fact be set down He reached power shortly after the Romans evacuated Britain at the end of the fifth century and died at the Battle of Camlann He became king at 15 under the name of Ambrosius Aurelianus and fought against the Saxons on the mainland as Riothamus thus explaining the regeneration motif so closely tied to the mythical Arthur This study reveals that the integrity and ideals central to Arthurian myth were very much a part of the real Arthur **Age of Tyrants** Christopher A. Snyder,2010-11-01 By the waning of Roman rule Britain was called a province fertile with tyrants Christopher Snyder s history of Britain during the two centuries after Rome s withdrawal reveals a hybrid society of Celtic Roman and Christian elements and documents the transition from magisterial to monarchical power An appendix explores the Arthur and Merlin myths 30 illustrations **Was this Camelot?** Leslie Alcock,Camelot Research Committee,1972 Excavations at Cadbury Castle 1966 1970 **A Glossary of Words, Phrases, Names, and Allusions in the Works of English Authors Particularly of Shakespeare and His Contemporaries** Robert Nares,1905 **The New**
