Frischmann,2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap Build Your Teacher Brand in 30 Days Define Your Name, Niche, and Narrative with Confidence Ronan Aldridge,2025-09-05 Every teacher has a unique story but how do you share yours in a way that builds recognition trust and opportunities Whether you want to create an online presence start a side business or expand your professional influence developing a personal brand is the key This book provides a step by step 30 day framework designed specifically for educators to clarify and communicate their value with confidence Inside you ll discover how to choose a brand name that resonates define your niche in a crowded marketplace and craft a narrative that connects authentically with your audience Each day offers practical actions reflective prompts and teacher focused examples that make the process simple and achievable even on a busy schedule By the end of 30 days you ll have a professional cohesive brand that reflects your strengths and attracts the opportunities you re seeking Whether you re building a teaching blog launching educational resources or growing your presence on social media this playbook gives you the roadmap to stand out A Personal Brand Jose Dumes,2021-08-26 You represent your business and for that reason building your brand is a must do If done correctly building a personal brand can help you receive more recognition at work connect you with decision makers and even generate high quality inbound sales leads You ll learn about how to create a personal brand on LinkedIn in as little as ten minutes per day Remember that you are a direct reflection of your brand Let s get started creating a robust personal LinkedIn profile right now Focus on LinkedIn Richard G Lowe Jr,2016-11-21 Dramatically Increase The Amount of Clients Income and Career Potential Discover The Secrets of Writing Better More Powerful LinkedIn Profiles That Will Attract More Connections Job Offers Higher Paying Clients and Leads for Your Business Are you worried you aren t advancing fast enough in your career Concerned that you might be leaving money on the table Are you stuck in a boring unrewarding job Or would you prefer Job Opportunities and Business Leads that come to YOU offering to Employ YOU or pay YOU money by learning to write your own LinkedIn profile that attracts the correct people directly to your inbox I have been where you are today I worked in unsatisfying jobs for employers that didn t care and wouldn t reward good and competent

service I remained in positions for years sending out thousands of resumes hoping that someone would recognize my value. What pulled me through was lots of study, specialized training and practice. More importantly, I believed in myself and the value I could provide to employers and customers for my products and services. At first, I was happy to find a new client, now and then, to make some extra money. Later, I discovered how to promote myself effectively and those customers started coming to me. Instead of wasting time day after day fruitlessly searching, they sent me emails asking demanding my services, products and employment. Here is what you will learn inside **Focus on LinkedIn**. Understand the unique importance of LinkedIn. You have found one of the best ways to get employers and clients to come to you. Best of all, they will be pre-qualified leads for the most part, which means they are ready to hire or buy your products and services. Increase your qualified leads by targeting your LinkedIn to the right audience. Decrease the time you spend fruitlessly searching for anyone who will buy your products or services or offer you a position in their company. Explode the size of your professional network by spending as little as a few hours optimizing your professional brand on LinkedIn. Define your Personal Brand and deliver an effective message which effectively grows a Professional Network which looks to you for answers. Increase your business or job offers several times the current level. Increase your earnings while reducing the time you spend with unqualified leads and employers. Taking the Time to Create an Optimized Profile Works. Spending the time to Optimize your Profile really works. Originally, my profile was boring and not well targeted. Because of this, I didn't get any value from LinkedIn. That all changed after I spent the time to go through each section adding, editing and removing until I had a great profile. Within a week, I received an email out of the blue for a ghostwriting project. Richard, I'm looking for a ghost writer with some business and or IT background. Your profile stood out to me. He was pre-sold on my services and we quickly signed a contract and not a small one to write his new book. Over the following year, by putting the concepts in this book to work, I received dozens of similar queries and over 50% of them resulted in signed contracts for paying jobs. Optimizing your LinkedIn Profile really works. Buy this Book Now to Understand How to Use LinkedIn.
