Youth Hong Kong / March 2025 The Hong Kong Federation of Youth Groups, Youth Hong Kong published by The Hong Kong Federation of Youth Groups. Youth Hong Kong has for over 15 years amplified the voices of young people sharing their concerns, interests, aspirations, dreams and even frustrations. March 2025 The New Career Playbook. This issue of Youth Hong Kong explores how young people are reshaping the world of work, prioritising flexibility, purpose and a strong sense of social responsibility. With a focus on creativity and collaboration over hierarchy, they're redefining success and embracing non-traditional career paths. Through voices of youth analysts, educators, employers and professionals, we take a closer look at these shifts and how we can better support the next generation through today's challenges and opportunities.

Youth and Employment in Sub-Saharan Africa Hiroyuki Hino, Gustav Ranis, 2014-06-05. It is widely acknowledged that youth unemployment is one of the most critical challenges facing countries in Sub-Saharan Africa. This volume brings together an eminent group of international scholars to analyse the extent and complex nature of this joblessness and offer a set of evidence-based policy choices that could contribute to solving the problem in the short and long run. Part I reviews the existing literature on youth unemployment and underemployment in Sub-Saharan Africa from microeconomic and macroeconomic perspectives, while Part II goes on to present detailed country studies of Ethiopia, Ghana, Kenya and South Africa. These studies offer a deep understanding of the situation on the ground and consider country-specific solutions. Throughout the book, it is argued that the standard ILO definition of unemployment is too narrow to correctly portray employment situations in Sub-Saharan Africa. Several alternative measures of unemployment are presented which show that joblessness is far more pervasive than commonly assumed in the literature. This volume will be of interest to academics and policy makers involved in African development.
