Remote Work Technology Henry Kurkowski, 2021-09-08 Your small business survival guide for the remote work environment In Remote Work Technology Keeping Your Small Business Thriving From Anywhere experienced SaaS and telecommunications entrepreneur Henry Kurkowski delivers a step by step walkthrough for using SaaS technology and communication apps to power your small business from anywhere on the planet You'll learn how to capitalize on the ability to hire a geographically distributed workforce and excel at serving clients at a distance You'll also discover why and how you need to alter your approach to management and spot the common pitfalls that litter the way to a truly distributed business This important book includes Valuable case studies of businesses that embraced the reality of remote working during and after the COVID 19 pandemic and cautionary tales of unexpected challenges that arose during the transition Discussions of how to incorporate remote workers into efficient workflows to increase your business productivity Explorations of how to support your employees when you can't just pop into their office Perfect for small business founders owners and managers Remote Work Technology is also a must read guide for independent contractors who work directly with small businesses and entrepreneurs

Build A Business Around Your Curiosity: Learn, Build, Share, Sell, Repeat Ahmed Musa, What if your curiosity wasn't a distraction but your greatest business asset This book is your permission slip to stop waiting for clarity and start building with what fascinates you Instead of following someone else's formula you'll discover how to turn your natural interests into powerful income engines without burning out faking expertise or locking yourself into one narrow niche You don't need to have it all figured out You don't need a perfect plan What you need is a loop learn something new build something small share it publicly offer it for sale and repeat That's how momentum builds That's how trust compounds And that's how modern creators are turning curiosity into profitable businesses without losing themselves in the process This approach works whether you're just getting started or reimagining your next chapter It honors the way creative minds naturally work driven by questions inspired by patterns and fueled by experimentation You'll learn how to validate ideas by sharing your process how to grow an audience by inviting them into your learning journey and how to make money by offering simple valuable products that emerge from what you've already explored You don't need to commit to a single topic forever You just need to commit to the loop Curiosity leads to learning Learning leads to building Building leads to sharing

Sharing leads to sales Sales fund your next round of curiosity The old business model says you need to know everything upfront The new business model says start with what you re curious about and let that be more than enough This is the book for creative minds ready to turn their questions into income and their interests into impact Learn Build Share Sell Repeat
