about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It s both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There s great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling Booklife Publisher s Weekly [Work Your Own Way](#) Joe A R,2025-05-09 Are you a Gen Z freelancer remote worker or creator who s tired of toxic hustle culture telling you to grind harder This is your permission to slow down work smarter and still thrive In *Work Your Own Way* you ll find an honest relatable and refreshing guide that helps you build a meaningful solo career without the pressure to run a never ending race Packed with real stories practical tips and warm wisdom this book feels more like a chat with a close friend than a lecture from a guru You ll learn how to Build a calm and sustainable work rhythm that fits you Say no to burnout and yes to your mental peace Connect with the right people without awkward networking Turn comparison into confidence Redefine success on your own terms Whether you re freelancing from your bedroom running a small online biz or juggling side gigs while figuring life out this book was made for you This is not a guide to doing more it s a guide to doing what matters Because slow doesn t mean stuck And calm doesn t mean lazy It means you re building something that lasts *How to Work from Home and Make Good Money ( Remote Jobs Work from Home Guide)* Ralf Percy,2020-04-08 Learn EXACTLY How I Landed My 50 hr Work From Home Dream Job And how ANYONE from ANYWHERE in the world can go remote Learn The exact job search strategy and secret hacks that had companies fighting over me Today only get this Amazon book for just 19 99 for a limited time Regularly priced at 49 99 50% Off the Regular Price Read this Carefully Give Me Five Days And I ll Give You The Secret of Landing A Work from Home Remote Job Degrees are DYING Remote Work is RISING In this step by step book This book will not only thoroughly go over all the skills people and steps involved in learning to land you work at home remote gig it will also look closely at Working a job that pushes you to your limits each day is tiring and frustrating Not only do you feel exhausted by the end of the day but there is a chance you feel unappreciated by your employer If you have ever considered working from home and becoming your own boss this is a reality that is closer than you can imagine Instead of wishing you could make it happen this guide is going to show you how to make it happen By learning how to use your computer as a tool you will find access to work that will provide a sustainable income In the workforce knowledge is power By learning about what industries are currently successful and utilizing the skills that you have you will find that there are countless opportunities for you to take right now Staying on top of the trends you are going to know exactly what to aim for and how to
