In Depth Home Office Setup Guide For Teens:

Youth Justice and Social Work Jane Pickford, Paul Dugmore, 2012-07-06 A complete guide to youth justice for social workers

Understanding Children's Social Care Nick Frost, Nigel Parton, 2009-04-22 These two authors are always worth reading for their breadth and originality Their new book offers a timely and stimulating analysis of modern children's services David Berridge Professor of Child and Family Welfare University of Bristol Clear yet thorough practical yet politically insightful complicated yet coherent this book will appeal to those who want to get an overview of the territory but also to those who wish to drill down deeper and understand the theoretical underpinning of government policies Martin C Calder Honorary Research Fellow Sheffield Hallam University This is the first book to provide a comprehensive overview and critical analysis of children's social care in England following the introduction of Every Child Matters and the 2007 Children's Plan Up to date and accessible the book examines the key issues surrounding child care policy politics and legislation and the implications they have for practice The book is organised into three sections From Children's Departments to Departments of Children's Services analyses the historical and political changes in the children's service since 1948 Different Service Areas provides a critical review of the main service areas including safeguarding and child protection Current Issues and Future Prospects considers the main challenges and future prospects for children's social care Essential reading for those studying child social care on programmes in social work childhood studies and social policy the book will also interest postgraduates and practitioners in child care

Kliatt Young Adult Paperback Book Guide, 1999

Juvenile Justice John A. Winterdyk, 2014-10-14 Juvenile justice has been and remains a topical issue at national and international levels There are various standards and guidelines for administration but six major models characterize juvenile justice systems worldwide participatory welfare corporatism modified justice justice and crime control Juvenile Justice International Perspectives Models and Trends presents contributions by authors from different countries in all five continents employing these six models The book begins with a comprehensive overview of the topic and the various international standards and guidelines designed to inform juvenile justice practices This introduction is followed by chapters on individual countries covered independently by resident experts allowing readers to appreciate a range of comparisons and to critically reflect on the relative merits of the different models Topics presented in each chapter include The country's history of juvenile justice The nature and status of delinquency Current legislation on juvenile justice How well the legislation complies with the Standard Minimum Rules of the Administration of Juvenile Justice as defined by the United Nations The type of juvenile justice model followed Age limits for male and female juvenile offenders Legal and social issues confronting juvenile offenders Current theoretical biases used to explain and justify response to delinquency Future issues challenges and or initiatives Text boxes supply current and relevant examples to contextualize key issues and themes Each chapter features discussion questions and helpful web links to facilitate further research Presented in an unbiased manner the book is a consolidated yet

comprehensive overview of juvenile justice models and practices worldwide It enables readers to compare the relative strengths and weaknesses of different juvenile justice models systems and to evaluate all countries in light of the larger international phenomena of delinquency **New York Magazine** ,1997-04-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Parent-teen Training Guide ,2012 Online Access ,1995-07
