Instagram is looking at the following Timely content This is all about recency meaning if a user hasn't logged in for a while they won't have to scroll through outdated and no longer relevant posts They'll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company's registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book [Instagram Marketing Advertising: 10,000/month Ultimate Guide for Personal Branding, Affiliate Marketing & Dropshipping - Best Tips & Strategies to Skyrocket Your Business](#) David Reese, 2019-11-29 Are you looking to boost your brand visibility and gain new clients for your business Would you like to build an excellent presence on Instagram Are you interested in becoming a thought leader in your industry If you're ready to learn all the essential tricks of the Instagram trade this is the perfect book to take you through the process step by step Read on Instagram has transformed from just another photo app to a huge business hub for countless brands and organizations Over one billion users have accounts on the growing social network and at least 60 percent of them log in daily Therefore there are bound to be thousands of Instagram users interested in your offerings if not more Now companies and corporations on IG as the site is fondly nicknamed can sign up for business accounts Brands from every industry can adopt the use of Instagram Whether your brand is related to health technology law security education agriculture tourism or any other field Instagram is a powerful tool for promoting your products and services and gaining traction In this comprehensive guide entitled Instagram Marketing Advertising 2019 10 000 Month Ultimate Guide for Personal Branding Affiliate Marketing and Drop Shipping Best Tips and Strategies to Skyrocket Your Business with Instagram Ads Roberts Ronald outlines all the knowledge you need to get you up to speed on using IG to promote your business or personal brand By the end of this book you will discover How to create and optimize your Instagram business
