for Teachers 1 e ISBN 0205493750 This book would be a great tool for helping today s future elementary teachers acquire a  
gut level understanding of mathematics concepts Hester Lewellen Baldwin Wallace College OH The writing in this text is  
very clear and would easily be understood by the intended audience The real world examples put the various math concepts  
into a context that is easily understood The vignettes at the beginning of each chapter are interesting and they get the reader  
to begin thinking about the math concepts that will follow Each of the chapters seem to build on one another and the author  
often refers back to activities and concepts from previous chapters which is meaningful to the reader because it lets the  
reader know that the information they are learning builds their conceptual understanding of other mathematical concepts  
Melany L Rish University of South Carolina Aiken Organized around five key concepts or powerful ideas in mathematics this  
text presents elementary mathematics content in a concise and nonthreatening manner for teachers Designed to sharpen  
teachers mathematics pedagogical content knowledge the friendly writing style and vignettes relate math concepts to real  
life situations so that they may better present the content to their students The five powerful ideas composition  
decomposition relationships representation and context provide an organizing framework and highlight the interconnections  
between mathematics topics In addition the text thoroughly integrates discussion of the five NCTM process strands Features  
Icons highlighting the NCTM process standards appear throughout the book to indicate where the text relates to each of  
these Practice exercises and activities and their explanations reinforce math concepts presented in the text and provide an  
opportunity for reflection and practice Concise conversational chapters and opening vignettes present math contents simply  
enough for even the most math anxious pre service teachers      **Madison Hall Notes** ,1914
