**Social Media Marketing in the Self-Media Era** Giovanni Aytan, 2021-01-07 I don't get the hype either was Charli D'Amelio's bio on TikTok. She couldn't understand her own success on TikTok as she saw herself as a normal US American teenage girl. Now Charli is the biggest influencer on TikTok with over 100 million followers. This research focuses on social media marketing on TikTok. The topic is crucial for future marketing approaches because TikTok offers new and efficient marketing tools and a growing audience. We live in a self-media era. People present themselves on social media platforms like Instagram, Facebook, and YouTube. TikTok has taken the self-media logic to a new level; anyone can go viral on the platform even without a large follower base. People are becoming self-publishing consumers. I started a self-experiment and created my own TikTok channel. It was a huge success. I managed to go viral with nearly every video. This self-experiment can serve as a guide for both individuals interested in social branding on TikTok and moreover marketers motivated to run a TikTok channel in order to successfully market products and services. My name is Giovanni Aytan and I am a Digital Media Management student at CBS International Business School. [TikTok Marketing School](#) Hillary Scholl, 2022-06-01 Do you want to be financially independent and successful? Learning How To Use TikTok's Power Could Be The Answer. One of the BEST skills you can learn today is how to use the power of TikTok. When you understand TikTok marketing the proper way, you can essentially write your own income. Knowing how to use social media platforms to sell your items can help you take your company to the next level. Imagine finally being able to manage a profitable online business from the comfort of your own home. Imagine quitting your day job and earning enough money to support yourself and your family in a comfortable and affluent lifestyle. It costs money to market your company a lot of money. Paying a third-party organization to sell your brand might be very expensive. When faced with budget constraints, resource constraints, and ever-moving timeframes, many people discover that it is a cost that may quickly blow budgets and eat into earnings. THIS IS ONLY ONE OF THE REASONS WHY SOCIAL MEDIA IS IMPORTANT. The world is changing and social media is catching up. In today's corporate world, social marketing has a huge impact on internet marketing and TikTok is quickly becoming a behemoth in this field. Their user base is expanding at a quicker rate than any other social site. You are missing out BIG TIME if you are not using TikTok for promotion. And if you think it is just for youngsters, you are completely wrong. So how does this affect you? Imagine this: you could generate content this week and reach tens of thousands, if not hundreds of thousands of people who are interested in you, your brand, and your business. You can get viral or semi-viral overnight if you start with no followers and no content. Eyeballs, people, potential customers, fans. TikTok is currently one of the most popular social media sites and will soon become a marketing powerhouse. Because it is fresh compared to Facebook, for example, there is less competition and the ease with which you may move from nothing to anything is something not to be overlooked. It is the same as marketing on Facebook or YouTube in the early years when it was quite simple and yielded incredible results. This is a once-in-a-lifetime opportunity. You have greatly increased your chances of success by learning how to sell on TikTok the RIGHT WAY. You will need TikTok.
