Working Virtually: Challenges of Virtual Teams Jones, Robert, Oyung, Rob, Shade Pace, Lise, 2005-04-30 Virtual teams have been used to leverage scarce and distributed resources for many years Expense reductions health epidemics air travel safety and complex supply chains have only intensified this need General best practices for leading and participating in virtual teams are well known but why are there still misconceptions about their effectiveness What drives the notion that face to face is always better How can groups and individuals take the most advantage of virtual teams through the appropriate use of technology Working Virtually Challenges of Virtual Teams provides an in depth practical perspective on the growing dependence of virtual teams and how to best exploit them Based on years of direct experience in managing and participating in virtual teams as well as developing solutions to help virtual teams be more effective the authors have provided unique insight that can be leveraged to help you get the most of your virtual teams

Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and Collaboration from Anywhere! Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they re in the same room Whether you re videoconferencing with team members across the world or e mailing a colleague sitting ten feet away the truth is evident technology has permanently altered the way we communicate The virtual workplace can facilitate quicker decision making and reduced overhead But the lack of face to face interaction can also impede trust innovation and creativity among team members The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms including e mail mobile devices web based conferencing tools and social media sites such as Facebook Twitter and Skype The Big Book of Virtual Team Building Games helps you Build a greater sense of community and reduce conflict Increase levels of engagement Get the most out of more introverted team members Boost team members productivity Make sure that the only thing separating your people is distance The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships foster clear communication and use technology to enhance the team s connections

Working at a Distance Cassandra J. Smith, 2016-02-11 Organizations are implementing virtual teams using web technologies as a cost effective measure for training and project development In Working at a Distance Cassandra Smith provides a detailed comprehensible virtual team business model for managers professionals teachers or students involved globally with such initiatives The author argues that guidance for members of such teams is generally lacking They are left to figure out their places on the team and face a host

of other issues the impact of which can be ameliorated with a virtual team business model that anyone working at a distance can follow Cassandra Smith has taught courses online and facilitated virtual teams The model she has created based on that experience maximizes the benefit to be gained from individual members skills personality styles and the strengths of each active participant It will enable teams to set up viable working plans and work cohesively at a distance The model also provides for conflict management in virtual environments Built on research and practical experience the empirical data and subject experts views captured by the author and the model offered here will help all stakeholders of businesses or educational institutions where managers employees and clients or teachers and students are working at a distance to achieve desired outcomes

Virtual Teams Terri R. Kurtzberg, 2014-03-28 To advance in today's workplace requires virtual team skills Most individuals assume their face to face skills will translate but competency with virtual communication and teamwork requires an entirely new set of skills This book guides readers down the path to success Electronic communication is now embedded in our daily experience as is work involving off site collaborators Virtual communication has become an essential job skill that is critical to individual and group success yet most people just muddle through it without giving it any thought Drawing on decades of scientific research in the fields of psychology organizational behavior and sociology this book explains how to master the art and science of communicating virtually The author first analyzes the subtle but significant changes that result when conversations are moved online providing examples and tips to avoid common pitfalls then discusses how team behavior and decision making can best be guided in this realm Readers will fully understand what makes teams click what inspires trust how to get a team off on the right foot and what steps to take in order to make good collaborative decisions as well as other key topics for virtual teamwork such as best practices for working in the cross cultural environment The book serves as an ideal guide for anyone who participates in or manages a virtual team but is also suitable as a supplemental textbook in a business school course on organizational behavior or business communication
