Women's Career Development in Virtual Remote Work Environments

Claretha Hughes,2025-03-25 This book examines the challenges and opportunities that women face with their career development aspirations while participating in virtual remote VR work The historical workplace disparities experienced by women such as pay gaps and underrepresentation in leadership have been exacerbated by the pandemic Already penalized for motherhood the ability to work virtually and remotely offered an opportunity to democratize the workplace giving women greater flexibility in managing their non work responsibilities while fulfilling their work obligation Nevertheless VR work also has a tendency to make women more invisible and therefore less likely to have networking opportunities and more likely to be overlooked for promotions The author explores these challenges and opportunities faced by women in the era of VR work and addresses some human resource development HRD issues that contribute to the talent retention of VR women workers and offers models theories and frameworks to examine the challenges and opportunities women encounter in VR work environments This book will appeal to HR scholar and scholar practitioners interested in the ongoing hurdles confronting women in the professional sphere despite the new opportunities presented through VR work It also appeals to gender studies scholars who are interested in VR work s effect on women

Remote Work, Internal Marketing and Human Resource Management Teena Mishra,2024-12-02 Remote working is a developing idea that many organizations are embracing especially in light of COVID 19 and the rise in demand for remote and hybrid roles As there is no standard model to use for implementation a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized This book presents the views opinions and reality of remote work and creating an appropriate internal

marketing culture in a remote environment The key topics explored are the significance of remote work remote work practice reshaping the work environment designing remote work models of remote work challenges of remote work facing business organizations remote work management innovations and technology the role of motivation and satisfaction in organizational development employee empowerment in a remote setting transparency and commitment for sustainable development and the future of remote work This research volume will be of value to researchers academicians practitioners and students in the fields of human resource management organizational studies and innovation management 1001 MCSE Tips Shane Stigler, Mark A.
