**CFO.**, 2008 **Don't Call It Quits: Turn the Job You Have into the Job You Love** Shana Lebowitz Gaynor, 2022-08-23 There are other often better ways to find fulfillment at work besides leaving your job It can be

tempting to fire off a letter of resignation or at least fantasize about doing so when you're unsatisfied or unhappy at work. But leaving a stable job can be impractical. And often there are other less dramatic ways to get what you want out of your career. In *Don't Call It Quits*, Shana Lebowitz Gaynor draws on her experience writing about career development to show how you can more deeply connect to your work, reclaim agency in your career, and find the freedom and happiness you're seeking without upending your life with a job change. As Shana explains, you aren't caught between two terrible options: stick around and suck it up or leave and hope for something better. You probably have many more choices than you realize. *Don't Call It Quits* is your how-to guide for exploring those options. You'll finally be able to turn the job you have into the job you love with smart strategies backed by scientific research and the real-life experiences of workplace experts including social scientists, HR chiefs, and career coaches to high-achieving professionals. Packed with tips that show you how to shape your own work experience, *Don't Call It Quits* delivers an eye-opening look at what it takes to shift your mindset to get more out of your job and more out of life.

**The Engaged Caregiver: How to Build a Performance-Driven Workforce to Reduce Burnout and Transform Care** Joseph Cabral, Thomas H. Lee, Martin Wright, 2019-11-29 From the top experts on healthcare workforce engagement comes a vital road map to reduce the alarmingly high and fast-growing rate of staff burnout and to transform care. More than half of U.S. physicians and 40 percent of nurses experience one or more symptoms of burnout. This crisis poses a serious threat to our health systems, impacting not only the well-being of the caregiving workforce but also that of their patients. Written by a team of thought leaders with deep expertise in healthcare workforce engagement and cultural development, *The Engaged Caregiver* shows leaders, managers, and front-line providers how to recognize the early signs of burnout and turn it around. Address staff more effectively to keep them engaged. Build strong, reliable teams with a real sense of purpose. Map their organization's core values and get everyone on board. Create a positive culture that's cohesive, inclusive, and resilient. Develop highly effective leadership and organizational systems. Hire, engage, and manage talent strategically and successfully. Promote diversity, equity, and inclusion in the workplace. Leverage data to drive improvements throughout the organization. In this wide-ranging guide, healthcare professionals will learn how to identify, diagnose, address, and overcome caregiver burnout on a personal level as well as measure, develop, and implement strategies that improve the entire workplace culture. *The Engaged Caregiver* provides an actionable plan for creating a resilient work culture that empowers caregivers and gives them the support they need to fulfill the patient promise with every care experience every day.
