Handbook of Research on Remote Work and Worker Well-Being in the Post-COVID-19 Era Wheatley, Daniel, Hardill, Irene, Buglass, Sarah, 2021-04-16 With the introduction of policies to combat COVID 19 far greater numbers of employees across the globe including those with limited job autonomy have moved to undertake their entire job at home. Although challenging in the current climate embracing these flexible modes of work such as working at home including relevant investment in technology to enable this will not only deliver potential organizational benefits but also increase the adaptability of the labor market in the short and longer terms. Although perhaps not the central concern of many in the current climate good home based work is achievable and perhaps even a solution to the current work based dilemma created by COVID 19 and should be a common goal for individuals organizations and society. Research also has shifted to focus on the routines of workers organizational performance and well being of companies and their employees along with reflections on the ways in which these developments may influence and alter the nature of paid work into the post COVID 19 era. The Handbook of Research on Remote Work and Worker Well Being in the Post COVID 19 Era focuses on the rapid expansion of remote working in response to the global COVID 19 pandemic and the impacts it has had on both employees and businesses. The content of the book progresses understanding and raises awareness of the benefits and challenges faced by large scale movements to remote working considering the wide array of different ways in which the large scale movement to remote working is impacting working lives and the economy. This book covers how different fields of work are responding and implementing remote work along with providing a presentation of how work occurs in digital spaces and the impacts on different topics such as gender dynamics and virtual togetherness. It is an ideal reference book for HR professionals business managers executives entrepreneurs policymakers researchers students practitioners academicians and business professionals interested in the latest research on remote working and its impacts. *Working Remotely* Molly Virello, 2022-05-09 In March of 2020 the world workforce moved to work remotely challenging the nature of what librarians accomplish while not being in their buildings and how libraries serve communities with their doors closed. While the initial move to remote work was forced voices emerged that questioned why librarians couldn't work remotely for extended periods of time as part of their regular jobs. Librarians are uniquely positioned to move themselves to remote work while also maintaining connections to their patron base and their colleagues but where to start. Stepping outside the traditional library space librarians can carve out a space to work remotely while still retaining the ability to reach our patrons provide access to quality programming pave the way for libraries to share information promote resources and even lead change in their communities. With times changing and our profession adapting so quickly this practical how to guide will help librarians set up an office space set a routine and adapt plan create implement manage and evaluate their programs and services to the best of their ability in order to unleash their library's potential to engage and wow their patrons and communities. With

worksheets and templates anecdotes about what works easily and what might prove challenging this book is ideal for today s librarian
