Highly Productive Remote Work: A Pragmatic Guide Darius Foroux,2020-03-23 Welcome to the age of remote work Technology gave you and me the opportunity of a lifetime No more commuting No more time wasting No more annoying meetings This collection of articles shows you how to be highly productive no matter where you work You can work from home your bedroom hotel room bedroom guest room or any other private space into your primary workspace Remote work leads to better output higher work satisfaction and more free time But remote work is not easy It requires a system When you work at home you re your own boss That means you must adopt a work first mindset In this best of collection I ve handpicked my best articles that show you how to 1 Form the mindset you need to get things done from home 2 Improve your productivity with proven techniques 3 Manage and improve yourself When you adopt the ideas strategies and habits that I share in this collection you can take on any work related challenge that life throws at you You no longer wish that you had a perfect office or the best resources in the world you will be highly productive with what you have Wherever you are **The Everything Guide to Remote Work** Jill Duffy,2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work During COVID 19 working from home became the new normal Now both employers and employees find that the remote work they were forced to adjust to may be well better financially sustainably and even in terms of overall morale and productivity But working from home is not without its challenges It can be difficult to eliminate distractions strike a solid work life balance and maintain social connections that are crucial in the workplace Whether you re trying to find and land a job from the comfort of your home learning to manage a virtual team or dream of living a digital nomad lifestyle The Everything Guide to Remote Work has everything you need to be successful You ll learn to optimize your own workplace culture whether it s in your home office or a constantly changing backdrop So whether your company continues to work remotely full time or you only have to go to the office a few days a week you ll be armed with all the tools you ll need to make the most out of this new lifestyle [Remote, Inc.](#) Robert C. Pozen,Alexandra Samuel,2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your

colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration
