## **In Depth Hybrid Work Schedule Ideas For Busy Professionals:**

**Sociology, Work, and Organisations** Brian McDonough, Jane Parry, 2024-10-23 This accessible edited collection provides global context for undergraduate and postgraduate students studying the sociology of work and organisations. Composed of short example led chapters, this book covers a wide range of contemporary topics including the COVID 19 pandemic, the digitalisation of work, the gig economy, and the shifting roles of women and other marginalised groups. The book's innovative approach uses case studies as diverse as work life balance in China, gender pay inequity in Britain and Germany, and the exploitation of workers on the Mexico US border to incorporate perspectives from both the Global North and South and provide students with the tools to analyse new developments in the rapidly changing world of work. The book is particularly concerned with inequalities and marginalisation in the workplace, discussing discrimination against women, ethnic minorities, migrants, and older workers. The book also explores how increasing digitalisation, the rise of the gig economy, and the COVID 19 pandemic have impacted working practices and how this relates to precarious employment. Other chapters are dedicated to issues of workplace organisation including female leadership, work life balance, and well being. The book goes on to explore how climate change and policies such as Universal Basic Income may shape the future of work in the near future. Each chapter also includes useful pedagogical resources including practice exam questions, key concepts, and definitions, and further readings. Therefore, the book will be therefore essential reading for undergraduate and postgraduate students studying the sociology of work, business management, and organisation.

**Handbook of Research on Remote Work and Worker Well-Being in the Post-COVID-19 Era** Wheatley, Daniel, Hardill, Irene, Buglass, Sarah, 2021-04-16 With the introduction of policies to combat COVID 19, far greater numbers of employees across the globe, including those with limited job autonomy, have moved to undertake their entire job at home. Although challenging in the current climate, embracing these flexible modes of work, such as working at home, including relevant investment in technology to enable this, will not only deliver potential organizational benefits but also increase the adaptability of the labor market in the short and longer terms. Although perhaps not the central concern of many in the current climate, good home based work is achievable and perhaps even a solution to the current work based dilemma created by COVID 19 and should be a common goal for individuals, organizations, and society. Research also has shifted to focus on the routines of workers, organizational performance, and well being of companies and their employees, along with reflections on the ways in which these developments may influence and alter the nature of paid work into the post COVID 19 era. The Handbook of Research on Remote Work and Worker Well Being in the Post COVID 19 Era focuses on the rapid expansion of remote working in response to the global COVID 19 pandemic and the impacts it has had on both employees and businesses. The content of the book progresses understanding and raises awareness of the benefits and challenges faced by large scale movements to remote working, considering the wide array of different ways in which the large scale movement to remote working is impacting working lives and the economy. This book

covers how different fields of work are responding and implementing remote work along with providing a presentation of how work occurs in digital spaces and the impacts on different topics such as gender dynamics and virtual togetherness It is an ideal reference book for HR professionals business managers executives entrepreneurs policymakers researchers students practitioners academicians and business professionals interested in the latest research on remote working and its impacts

**Global Voice #21** Council on Business & Society, Welcome to Global Voice magazine 21 Out of the Tin Can This spring issue of the Council on Business Society's quarterly magazine contains 96 pages of research and opinion based articles featured in two sections Business Society and Leadership Management We're delighted to include a special double page dedicated to two new CoBS Deans Dean Lee Newman and Dean Yu Sakasume having respectively taken up their functions at leading member institutions IE Business School Spain and Keio Business School Japan This issue's Editorial also features a spotlight on the unique value case studies bring to the learning experience co-authored by Richard McCracken Director of The Case Centre the world's leading independent home of the case method and Prof Adrian Zicari of the Council on Business Society A wry and playful glance at business buzz words and maybe even the state of our hectic modern society is included in our double page cartoon penned by Tom Gamble of the CoBS and illustrated by Matthieu Anziani of ESSEC Business School And as usual hats off to the superb Global Voice graphic design by CoBS Head of Design M lissa Guillou Faculty practitioner and student articles provide the bread and butter of this issue with topics covering big data and customer value how to manage remote working designing mentorship programmes TechForGood greening up supply chains with circular economy strategy non financial social and environmental disclosure and a spotlight on smart cities in Japan among others And lastly you may ask why this issue carries the subtitle Out of the Tin Can The temptation is to say that it's up to you to interpret it

for there are many interpretations possible Some of these might point to the David Bowie classic Space Oddity and the fact that at last many of us in our societies are once again able to step out of the confinement imposed by the pandemic to breathe freely again Another interpretation hand in hand with the snappy front cover image might refer to Andy Warhol's iconic pop art consumerism or simply the tastiness of the contents the tin cans hold a little like the insights in this magazine if I dare say And lastly the shades of green to the cans give the message that our consuming society might well contain a new and more responsible sustainable taste to it In any case we hope you download this Global Voice 21 issue open it up and consume its insights with immoderation Enjoy your reading
