Content Inc.: How Entrepreneurs Use Content to Build Massive Audiences and Create Radically Successful Businesses Joe Pulizzi, 2015-09-04
Instead of throwing money away and sucking up to A-listers, now there is a better way to promote your business. It's called content marketing, and this book is a great way to master this new technique. Guy Kawasaki, Chief Evangelist of Canva and author of *The Art of the Start 2.0*, How do you take the maximum amount of risk out of starting a business? Joe Pulizzi shows us. Fascinate your audience, then turn them into loyal fans. Content Inc. shows you how. Use it as your roadmap to startup success. Sally Hogshead, *New York Times* and *Wall Street Journal* bestselling author, *How the World Sees You*. If you're serious about turning content into a business, this is the most detailed, honest, and useful book ever written. Jay Baer, *New York Times* bestselling author of *Youtility*. The approach to business taught all over the world is to create a product and then spend a bunch of money to market and sell it. Joe outlines a radically new way to succeed in business: Develop your audience first by creating content that draws people in, and then watch your business sell itself. David Meerman Scott, bestselling author of ten books including *The New Rules of Sales and Service*. The digital age has fundamentally reshaped the cost curve for entrepreneurs. Joe describes the formula for developing a purpose-driven business that connects with an engaged and loyal audience around content. With brand voice and audience building, monetizing a business is easy. Julie Fleischer, Sr. Director, Data Content Media, Kraft Foods. What if you launched a business with nothing to sell and instead focused first on serving the needs of an audience, trusting that the selling part would come later? Crazy. Or crazy brilliant. I'd say the latter. Because in today's world, you should serve before selling. Ann Handley, author of the *Wall Street Journal* bestseller *Everybody Writes* and *Content Rules*. Today, anyone anywhere with a passion and a focus on a content niche can build a multi-million dollar platform and business. I did it, and so can you. Just follow Joe's plan and his Content Inc. model. John Lee Dumas, Founder, EntrepreneurOnFire. The Internet doesn't

need more content It needs amazing content Content Inc is the business blueprint on how to achieve that If you re in business and are tired of hearing about the need for content marketing but want the how and the proof Content Inc is your blueprint Scott Stratten bestselling author and President of UnMarketing Inc Content marketing is by far the best marketing strategy for every company and Joe is by far the best guru on the topic I wish this book was available when we started our content marketing initiative It would have saved us a huge amount of time and effort Scott Maxwell Managing Partner Founder OpenView Venture Partners
