Beginning SharePoint 2010 Administration Göran Husman,Christian Ståhl,2010-06-08 Complete coverage on the latest advances in SharePoint 2010 administration SharePoint 2010 comprises an abundance of new features and this book shows you how to take advantage of all SharePoint 2010 s many improvements Written by a four time SharePoint MVP Beginning SharePoint 2010 Administration begins with a comparison of SharePoint 2010 compared to the previous version and then examines the differences between SharePoint Foundation SPF and SharePoint Server SPS This book is written for several audiences One audience is consultants and IT professionals who need to understand how to plan implement and configure SharePoint Another audience is administrators and the support team that must know how to manage SharePoint both the more advanced administration of service applications and site collections as well as managing sites and workspaces A third audience is the reader who wants to understand how SharePoint works and what to expect from it this is typically IT managers and project leaders This book assumes no previous knowledge of SharePoint but if you do have experience with

SharePoint you will learn how SharePoint 2010 differs from previous releases If you intend to read and try all the exercises in this book you will need some basic understanding of network applications such as Windows Servers Microsoft SQL Server Active Directory DNS and IIS as well as experience with Microsoft Office If you don't intend to install SharePoint yourself then it is not necessary to have that network understanding

What This Book Covers This book consists of 10 chapters and 4 appendixes If you want to learn how to install and configure SharePoint Foundation you should start reading Appendixes A and B If you will install SharePoint Server 2010 you should still quickly read Appendixes A and B since they cover the basic functionality also valid for SharePoint Server then you should continue reading carefully Appendixes C and D All these appendixes are very technical and detailed but you need to understand all this in order to install a SharePoint 2010 environment that follows Microsoft's Best Practice to match the requirements of your organization If you don't plan to install SharePoint yourself then you can start reading Chapter 1 and all the other chapters If some of them are less interesting to you you should still read them quickly to get an understanding of what they cover Later you might need that information and then it will be valuable to know where to find it

The main part of this book is divided into 10 chapters Some of these chapters focus more on SharePoint Foundation SPF some on SharePoint Server SPS

Chapter 1 Introduction to Microsoft SharePoint 2010 This chapter gives you an overview of SharePoint and most of its important features If you want to understand what SharePoint 2010 can do for you then read this chapter

Chapter 2 Building SPF Sites This chapter focuses on the fundamental features of SharePoint 2010 if you plan to build an SPF based solution read this If you plan to build an SPS solution this chapter covers the basic functionality you also need to know

Chapter 3 Office Integration This chapter describes how SharePoint 2010 integrates with MS Office If you are interested in document management features in SharePoint then you should read this chapter

Chapter 4 Content Management in SharePoint 2010 This chapter focus on managing content especially web content management using wiki pages but also social computing features integration with offline solutions like MS Outlook and SharePoint Workspace and managing multilanguage sites

Chapter 5 Managing My Sites This chapter focus on features only available in SPS not SPF It describes how to manage and take advantage of the user's personal My Site both for personal use and for collaboration and information sharing

Chapter 6 SharePoint Administration This chapter is a deep dive into many important features in SharePoint such as permissions templates search and indexing and how to manage SharePoint 2010 with PowerShell and STSADM Readers only interested in SPF should read the parts that covers SPF features while the SPS administrator and IT pro should read the complete chapter

Chapter 7 Building Intranets and Internet Portals This chapter focuses on features related to intranets and public facing Internet sites It explains what features will be of interest and how to use them You will get a number of tips in this chapter such as how to display Twitter content on a SharePoint site

Chapter 8 Customizing SharePoint 2010 This chapter explains how to customize both SPF and SPS sites You will learn how to use SharePoint Designer 2010 as well as how to customize web parts including Silverlight

based media web parts Chapter 9 Using SharePoint Designer 2010 This chapter focus on what you can do with the free tool SharePoint Designer 2010 If you need to know how to configure and design web pages in SharePoint this chapter is for you Chapter 10 Backup and Restore This chapter describes how to backup and then restore documents lists sites site collections and complete SharePoint farms using SharePoint Central Administration PowerShell and STSADM If you are a SharePoint administrator you should read this chapter Appendix A Installing SharePoint Foundation 2010 This appendix describes how to plan and implement SharePoint Foundation 2010 It also covers how to upgrade from WSS 3.0 Appendix B Configuring SharePoint Foundation 2010 This appendix describes how to configure and manage a newly installed SPF environment It covers many important and general concepts in SharePoint that are also valid for SPS so both SPF and SPS administrators and IT professionals should read this appendix Appendix C Installing SharePoint Server 2010 This appendix describes how to plan and implement SharePoint Server 2010 including how to upgrade and migrate from MOSS 2007 Appendix D Configuring SharePoint Server 2010 This appendix describes how to configure and manage a newly created SPS 2010 environment Before you read this appendix you should read Appendix B
