work not only adds depth to the existing discourse but also serves as a catalyst for broader understanding and appreciation of the complexities inherent in Dalit experiences and their representation or misrepresentation. In doing so, the volume challenges the traditional social order's ability to address caste-based discrimination effectively and also makes an attempt to find alternative ways to understand the conundrum of caste. It delves into the necessity of alternative discourse, particularly the significance of Dalit discourse and hence the imperative need for diverse and inclusive discourses. The volume represents the individual voices of the editors and contributors who are eminent academics and provides a more holistic approach to the examination of the socio-economic, cultural, and political landscape of the Dalit community in contemporary India. Their contribution enriches the current body of literature on Dalit Studies with a specific focus on the evolving dynamics within politics, academia, popular culture, digital culture, political economy, ideological perspectives, and representation or misrepresentation among others. The chapters also demonstrate the profound impact of various modern influences on the lives of the younger generation of Dalits. In doing so, it sheds light on how access to information technology, the pervasive use of social media, digital media, the influential role of music and cinema in cultural resistance, and the discourse of protest politics collectively shape the experiences and perspectives of the young Dalit community. This literary work presents an invaluable opportunity for scholars, researchers, and students and a methodological aid for classroom adoption for discerning readers to immerse themselves in an exploration of a significant community in India and its multifaceted presence within contemporary literature and culture.

Very Intentional Parenting Destini Ann Davis, 2022-08-30 A different kind of parenting book that helps parents improve themselves first so they can then be better parents to their kids. It's time for a fresh approach to parenting. Isn't it time for a parenting book that is practical and relatable? Destini Ann Davis is a working mom and parenting coach who read dozens of parenting books and made all the typical parenting mistakes before realizing that in order to have a peaceful, positive relationship with her children, she first needed to have a peaceful, positive relationship with herself. Very Intentional Parenting features a fresh, down-to-earth approach to parenting from someone you can relate to. Through real-life examples from her experiences as a mom and parenting coach, she gives readers actionable strategies for tackling many of today's most challenging parenting scenarios using positive discipline techniques, effective communication, and emotional intelligence. She'll encourage you, coach you, and help you become the parent you've always desired to be. If you're a parent looking for more connection and collaboration in your relationship with your child, you've come to the right place. Here's what you'll find inside: A fresh, energetic take on parenting in today's world. Practical tips for creating open and constructive dialogue with your kids. Parent-focused insights to empower you to heal so you can then avoid fear and trauma-based parenting strategies. Actionable steps to increase respect in your home while still preserving the parent-child relationship.
