Identity Matching in the Nordic Baltic-region Nordic Council of Ministers Secretariat, Available online <https://pub.norden.org/temanord2024/511> The Nordic and Baltic region represents some of the most digitally advanced societies in the world. An enabling element for this is the availability and vast adoption of electronic identity (eID) means both among citizens and service providers. This report is part of a mutual effort that was initiated by Cross Border Digital Services Programme and the Nordic Baltic eID Cooperation NOBID project with the aim to expand the Nordic Baltic countries' national success in eID to also cover cross border interoperability and digital mobility in the region. The content of this report, delivered by Civitta and SK ID Solutions, investigates the landscape of cross border identity matching of natural persons. It does so by providing an overview of the current situation and practices from country to country, as well as presenting insights and perspectives on how identity matching can be solved.

Digital Nomad Visa Guide 2025 HAZE.
